Dist. 34 OK's budget, levy hike

by GLORIA DAVIS
Lakeland Newspapers

After adopting the proposed 1989-90 budget of \$6,513,158, a 14.8 percent raise over last year's budget, the Antioch Grade School Dist. 34 Board of Education approved the adoption of levies on 1989 property values.

Those levies include: education fund, \$3,260,000; operations, building and maintenance fund, \$388,150;

transportation fund, \$232,800; IMRF Fund, \$112,500; Social Security Fund, \$106,000; Tort Immunity Fund, \$110,000 and special education, \$31,040.

Total levies equal \$4,240,490.

This means that a homeowner in Antioch, whose property is valued at \$100,000, can expect a probable \$131 raise in their property taxes this year if the estimated assessed valuation is as expected.

Supt. Don Skidmore told the board that the long-standing problem of some children living in "the gray areas" between the Antioch School Dist. and Emmons School Dist. has been solved for the time being.

Supts. Skidmore and Jill Ballock of Emmons chose to have the children who were not attending the correct school district do so this school year.

Dist. 34 has six children from Lakeshore Dr. and Lakeview, three of whom attended Emmons last year.

The families involved have been informed that they can petition the Lake County Board to deannex their property from Antioch and assign it to the Emmons School Dist. This is time consuming, so meanwhile the children are in school in Antioch.

In other business, the board:

— approved the paying of two interfund loans, one for \$500,000 (from the working cash fund to the education fund) and the other \$50,000 (from the working cash

fund to the building fund). The board then approved a loan of \$500,000 from the working cash fund to the education fund and a \$50,000 loan from the working cash fund to the operations, building and maintenance funds as of Sept. 29.

— heard a report on the results of 40 radon test samples conducted in the school district buildings, ranging from 0.6 to 1.7, all considerably lower than the EPA recommended action guideline of 4.0.

— accepted the resignations of teachers Bob Brown from the Upper Grade school and Mike Nowotarski, W. C. Petty School.

— approved the hiring of Gayle Parmeter as fifth grade teacher at Petty; of Cheryl Lynn Valentino, fourth grade and of Mary Ann Petkus, who was recruited from retirement to serve as a reading specialist.

— approved hiring five people for the non-certified staff, Sharon Elfering, Carolyn Perrine, Melissa Rutenberg, Jeanine Krostal and Sharon Bock.

Apple picking assembly line

It takes a team effort to go searching for apples these days. With apple picking season in full swing now, Rich Holmes and his two sons, Karl (on shoulders) and Jason visited Wauconda Apple Orchards to pick a bushel or two of their favorite fruit. Nab 2 for more thefts after Antioch attempt

An unsuccessful burglary attempt in Antioch resulted in the possible solving of burglaries in Wildwood and rural Kenosha County.

Two men have been charged with the attempted entry of an Antioch home in broad daylight last week.

The person who lived there was at home in the basement when a car drove up and the men inside broke a window in her home.

The men then approached the house with tools and ran when they saw the occupant who later identified one of them in a

lineup situation.

An alert Lindenhurst policeman recognized the car described in the police report as being involved in the burglary attempt as it traveled on Grass Lake Rd. and pulled it over.

Charged with attempted burglary and unlawful use of a weapon for the Antioch caper and burglaries in Kenosha County and Wildwood, are Wesley Carroll, 21, Memphis, Tenn. and James Edwards, 20, Antioch.

Both were taken to Lake County Jail for arraignment.

Board approves plat on Windmill Creek

Although Mayor Robert Wilton was concerned that eight of the lots in Phase 1 of Al Little's Windmill Creek development are partially in the wetlands, the Antioch Village Board gave the final plat approval to the project at the last regular board meeting.

"Those lots are 120 feet in depth and a large portion of the backyards will be in the wetlands," said Wilton.

There was no further discussion on the pre-annexation agreement on Sequoit

Harbor, but the board set a public hearing on the matter before the next board meeting, at the village hall, on Monday, Oct. 2.

In other business, the board:

— hired Cathy Medima to work in the village office for \$7.25 per hour.

— accepted Lake Area Carpet's low bid of \$1,712 for carpeting the police dispatch center.

— approved the purchase of a new copy machine for the police department.

EYE CARE

News, Views & Questions About Your Eyes

By
Robert L. Epstein, M.D., Director
Illinois Center for Corrective Eye Surgery

QUESTION: Would you please explain to me what glaucoma is?

ANSWER: Glaucoma is a condition in which the pressure of fluid in the eyeball is abnormally high--higher than the eye can tolerate over a long time.

Loss of side vision and even blindness may eventually result if glaucoma is not treated. Fortunately, there are treatments which work: eyedrops, tablets, laser treatment and outpatient surgery.

Glaucoma is more common in people over 40, in diabetics, in blacks, and in people with positive family history.

Hoogasian goes for appellate court**Judge to seek election next fall**

Jack Hoogasian, 64, of Lake Forest has announced he will seek the Republican nomination for the seat vacated by the Honorable William V. Hopf on the appellate court of the 2nd Judicial Dist. Hoogasian is currently a judge of the circuit court.

A graduate of University of Illinois and John Marshall Law School, Judge Hoogasian was a prosecutor for 18 years including eight years as the elected States Attorney of Lake County. He was a special Asst. Attorney General, and the Public Administrator, Conservator and Guardian of Lake County before winning election as a judge of the 19th Judicial Circuit in 1980. He was retained by the voters by a wide margin in 1986.

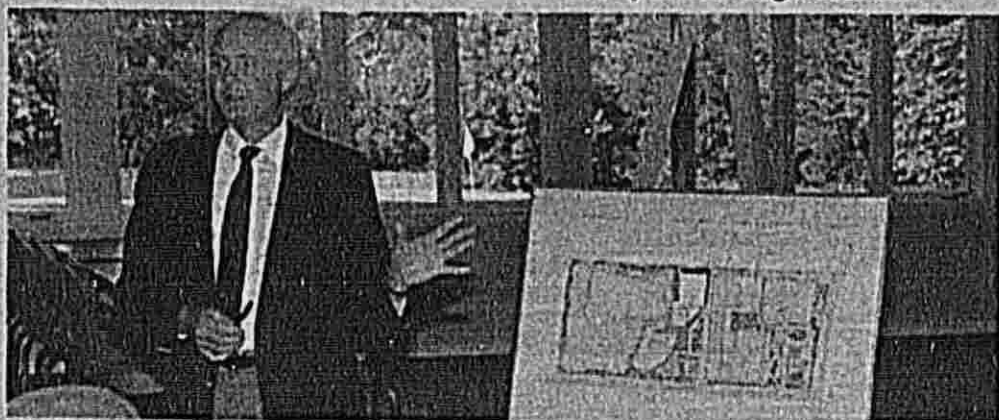

**Jack Hoogasian**

The appellate court hears appeals of cases from the 13 counties which make up the 2nd Judicial Dist.: Boone, Carroll, DeKalb, DuPage, Jo Davies, Kane, Kendall, Lake, Lee, McHenry, Ogle, Stephenson and Winnebago.

A northern Illinois native, Judge

Hoogasian has been married to Claudia Aho Hoogasian for 24 years and has four grown children: Sara 22, Amy 21, Mary 19 and Gregory 17.

The primary election is scheduled for March 20, 1990.

**Cultural center site**

Architect Forrest Wendt describes site plan for proposed Lake County Cultural Arts Center to be located on 58 acres at Center St. and Rte. 45, Gages Lake, owned by Lake County Forest Preserve Dist. Preliminary plans call for space for a 400-seat theater, 'music hall' theater of 2,000 to 2,500 seats, an outdoor amphitheater for 10,000 spectators, ample parking and a stormwater retention basin. Forest Preserve officials are getting a legal opinion on legality of the center, located between College of Lake County and the Lake County Fairgrounds.

Introducing Adult Mental Health Services.

Change isn't easy at any age. And sometimes dealing with the challenges of growing older can become overwhelming.

To help you get through those tough periods of adjustment, Victory Memorial Hospital has created an innovative new mental health unit for adults of all ages.

Our unit offers two distinctive programs; one for adults, and another—the first of its type in Lake County—for seniors. Both programs follow individualized treatment philosophies. They are based on a holistic approach to patient recovery, promoting self-help and the return to a healthy lifestyle. The home-like atmosphere, and warm, supportive environment, set the stage for programs designed to meet the physical, psychological and spiritual needs of each patient. And the unit's in-hospital setting allows patients access to any of our medical services.

Growing pains don't end with adolescence, but with our help they don't have to go on forever.

Call the experts at Victory for more information at 360-4082.

Briefs

New associate

Wayne Sobczak, broker-owner of Realty World-Tiffany Real Estate, Antioch and Round Lake Heights, announces the appointment of Crystal Ony as realtor associate. She is graduate of Black Hawk College, receiving a certificate in computer programming. She lives in Antioch with her daughter Betsy. "We are pleased to welcome Crystal to our staff of professionals and know that she will be a superb addition and will serve the community with the same sense of pride and responsibility that our Realty World Family has in the past."

Rotary BBQ

This year's auction committee for the Antioch Rotary's Annual Pork Chop BBQ and Auction is headed by Reed Ano and each of the 47 Rotary members have been given a responsibility for the event scheduled to be held at St. Peter's, at 5:50 p.m., on Saturday, Sept. 30. This is the primary Rotary fundraiser which donates money to scholarships, the Rotary Youth Foreign Exchange Program, and supports other community activities.

Rotarians work on fundraiser

All the members of the Antioch Rotary Club are working on the upcoming barbeque and auction, set for Saturday, Sept. 30, at St. Peter's School. A silent auction will be a new added

attraction to the event that is the club's biggest fundraiser of the year. From left are Rotarians Reed Ano, chairman, Tim Osmond, Dave Erickson and Randy Miles.

Antioch AARP starts fall season's activities

Arthur Aerne, president, presided over the first meeting of the new season when Antioch Area Chapter 387 of the American Assn. of Retired Persons (AARP) with members in both northern Illinois and southeastern Wisconsin, met on Sept. 12 at the Senior Center.

Agnes Allgire, program chairperson, announced that she has set up the schedule of activities for the ensuing year and will have programs printed and ready for distribution at the next meeting Sept. 26.

Glen Peterson sold tickets for the Drury Lane Theatre on Oct. 28. He has a few tickets remaining which will be sold at

the next meeting. Tickets will also be sold for a dinner-theatre show in Evanston on Oct. 18.

Robert Ulrich, legislative chairman, startled members when he told of a law which will go into effect in 1990. Senior Citizens, who are taking prescription medication, may be subject to arrest if involved in an accident. The charge would be Driving under the Influence (DUI).

He urged members to continue writing letters to legislators in Washington and tell them how they feel about the new changes in Catastrophic Health Care which will soon become effective. Letters

also should be sent to the AARP National Office.

Special guest speaker was Antioch Mayor Robert Wilton, who told the members of plans the village is making to improve the traffic congestion on Main St., particularly at the intersection of

Orchard and Main Sts. where traffic lights will be installed.

Next meeting will be on Tuesday, Sept. 26. Bring a sack lunch and stay to see an interesting slide presentation of the history of the Antioch Rescue Squad.

Cyclist thrown, dies after 3-way crash

Grass Lake Rd., 300 feet east of Prairie Rd. in Antioch Twp., was the scene of a fatal motorcycle accident just after noon on Saturday.

Pronounced dead at the scene was Tim Lowe, 19, Lindenhurst.

According to the Lake County Sheriff's report, Lowe was a passenger on a cycle driven by Michael Erickson, 19, Gurnee, when a van started to make a left hand turn into driveway in front of the cycle.

The sheriff's report says that skid marks on the road show that Erickson braked the cycle but traveled over 250 feet during which the victim was thrown from the cycle, striking his head on the right rear of the van driven by Ryan Mendoza, also 19, of Antioch.

Lowe was then thrown onto a car driven by a George Papcek, 72, Fox Lake, who was traveling slowly behind the van.

Erickson laid the cycle down after skidding 370 feet more.

Erickson was taken to Condell Memorial Hospital, Libertyville, for treatment of minor injuries.

Neither cyclist was wearing a helmet at the time of the crash.

Erickson was cited for failing to lower speed to avoid an accident and for not having the proper credentials to operate a motorcycle.

Mendoza, who was not injured, was ticketed for failing to yield while making a left-hand turn.

Video game cash payoff not winning move for all

Judy Clesen, 49, Spring Grove, owner of the Jackson Bay Resort in Antioch Twp., has been charged with letting a video card playing machine operate in her establishment and then paying game winners off in prize monies.

According to the Lake County Sheriff Dept's report, after receiving complaints that a video machine was paying off in cash at that location, undercover sheriff's deputies played the video game, River Boat Gambler, in the Jackson Bay Resort and were paid for winning twice. Once with \$20 and the second time with \$30.

Sheriff's department deputies confiscated the video gambling machine after arresting Clesen on Friday.

She was released on \$2,000 bond with hearing on this misdemeanor charge yet to be scheduled.

If found guilty, Clesen faces a maximum penalty of up to one year in prison and/or a fine, says Dep. Sheriff Willie Smith.

In the State of Illinois, operation of such video games is permitted, but paying winners off in cash is not allowed.

Antioch Viking teams win opening games

by LIZ SCHMEHL
(312)395-5380

Fantastic game

Talk about a fantastic opening day for the Antioch Viking Football League, they simply could not and would not loose on Sunday, Sept. 10. First I will give a few detailed highlights of the various games and in closing I will give you all the "Victorious" scores. The Raiders played St. Marys at Buffalo Grove and they were victorious 31-0. Both the offensive and defensive lines performed well. The offense did a great job scoring, while the defense did as well holding St. Marys at zero. On the sidelines the pretty cheerleaders did an excellent job cheering the Raiders to victory. At the end of the game, I don't know who was the happiest-the players, the coaches, or the parents. To me it looked like all of the above.

The Eagles were victorious over Mundelein 7 to 6. It was a hard game as indicated by the close score. Adam Becker caught

a pass from quarterback, Jamie English, and went about 65 yards for the touchdown. He was aided with a key block by Aaron Mason. Josh Fleming scored the extra point with a dive up the middle that carried the players into the end zone. Defense played a great game and special mentions go to Brian Bruns, Jeff Talgenhorst, and Brock Maxwell.

The Bears were victorious over McHenry 1 with a final score of 32 to 12. Matt Shoemaker scored all the touchdowns and Brent Lubeck made the conversions for the extra points. Jason Padstawa, on defense, made a key interception and returned the ball about 10 yards.

Now for all the final scores. As you can see Antioch did not know the meaning of the word "defeat" on Sept. 10. Viking Heavyweights vs. Mundelein Heavyweights 40-0; Antioch Lightweights vs. Mundelein Lightweights 25-0; Raiders vs. St. Marys

31-0; Eagles vs. Mundelein 7-6; Bears vs. McHenry 32-12; and Seahawks vs. McHenry 26-0. Congratulations to all players, all coaches, and all parents. We

Rucky, Gidget, and the babies are pedigree black toy poodles. Donna tells me all pups are spoken for. The Smerz family will keep one little girl and friends are

Hometown Goodies

Liz Schmehl

can't ask for anything more. It was definitely a special opening day for the Antioch Viking football teams.

Belated Anniversary

Linda Boerman always calls me with her news tidbits after the fact. Therefore, I must extend a belated happy anniversary wish to her and hubby, John. Linda and John celebrated their 17th anniversary on Sept. 9. Another belated 17th anniversary wish goes to Sally and Bill Hiller of Antioch, who celebrated on Sept. 8. Congratulations to you all.

New arrival

Donna Marsich, a relative/friend, recently called to chat and share some happy news with me. Her daughter, Dawn Fedderly, is expecting her third baby in April! Dawn and her husband, David, have two sons, Michael and Eric. She and grandma, Donna, have an order in for a baby girl this time. However, they tell me if it is a third boy they will keep it. I heard myself saying all the right words of congratulations and good luck. Secretly I pondered when will it be the Lizard's turn to be a granny. Then I decided not to worry, lizard-out of three grown daughters on e is bound to "deliver" sooner or later!

Stay well Howard

What's this, Howard Stann, you enjoyed my recent get well wish so much you went back into the hospital again? Now stop that! Get well and stay well. I understand your surgery went well and once again, I've been instructed to remind you to follow doctor's orders. So now you have your orders not only from the doctor but also from "The Lizard." Tons and tons of get well wishes to you from myself and readers!

Smerz triplets

Finally Donna and Phil Smerz are grandparents to triplets born on grandpa Phil's birthday, Sept. 8. The first baby, a boy, was born about 1 p.m., then the first girl about 3 p.m., and finally the last girl came along at 4 p.m. Mamma, Gidget, is doing fine, and daddy, Rocky, is extremely proud. Incidentally, instead of cigars, Rocky is passing out chocolate covered Milkbones to everyone, as

taking the other two. Congratulations!

Homecoming

It won't be long and the "Homecoming" activities at ACHS will begin. As mentioned before, there will be a parade, float contest, pep rally, male beauty contest, alumni evening, and of course the "Homecoming" game. Take notice of the dates and times of these events when posted. The male beauty contest is an evening of special fun and if one of my friends with a car will chauffeur me to this event, I would once again love to go. Maybe I'll see you all there!

Yearbook committee

The yearbook committee at Grass Lake School is in the process of seeking patron ads for the 1990 yearbook. The patron pages serve several purposes. They help lower the final cost of the book to the students, they serve as an avenue of advertising for area businesses, they show the students the area businesses take and active interest in our area schools, and last but not least they encourage yearbook readers to patronize our generous

patrons. If you haven't been contacted by the committee and would like to be a patron, you can call "The Lizard" for further information or call the school to have your name referred to the yearbook committee.

4-H office

The University of Ill. Cooperative Extension Service has recently opened an Urban 4-H office at Smith Park Community Recreation Center at 724 S. Genesee in Waukegan. The grand opening was Sept. 1 with a luncheon for community leaders, and presentations by representatives of cooperating agencies. The new program is made available through cooperations of the Waukegan Park Dist., Waukegan Twp., and the Univ. of Illinois. 4-H coordinator, Colleen Campbell will be staffing the program. Volunteers are being sought to assist with programs ranging from foods and nutrition to leadership and public speaking. If you'd like to volunteer your services, contact Colleen at (312)249-4869.

Varsity volleyball

The ACHS girls' varsity volleyball team won the first match of the conference. They defeated top-ranked Stevenson two games out of three with scores of 15A/12S and 15A/4S. This first game of the conference was played on Friday, Sept. 8. The girls made an excellent showing as all had excellent team spirit and truly played well as a team.

Candidates

Last week I had planned to start reporting some background information on each of the Grass Lake School Board candidates to

the Nov. 7 election. However, I have decided to go about my candidate profiles in a different manner. I'd like to set aside some space in the Oct. 12 and Oct. 19 columns for this purpose. I'd like to extend this opportunity to candidates in "all" of our local school districts. If you are a school board candidate for one of our Antioch area schools and are interested in receiving some column space, contact me prior to Oct. 12 or 19. When you call make sure you tell me what school you are affiliated with and limit your candidate information to a short paragraph. I'll be waiting to hear from any interested candidates.

Thank you

I'd like to take a moment to thank all the people who call me with their tidbits and to encourage more of you to do the same. This column truly depends on you to offer this information service and to have a little fun while doing it. So if you have any special moments or special events in your life you'd like to share with our readers please call.

Hello there

Let's see who is out there reading the column this week? If you see your name here, let me know by calling me with a tidbit or two. Hi there Carolyn Olechny, Steve Chinn, Walter Mozal, Ernestine Okresik, Mary Bielawski, Carol Kube, Michelle Bailey, Corky Trieger (notice I spelled your name right this time, Corky?). I'll be waiting anxiously to hear from you all. Therefore next week the column should be bursting with varied information. Then then!

Parks and recreation's aerobics going great

Antioch Parks and Recreation Dept. has started the fall/winter programs. All classes are filling fast, with 36 people registered in the Tuesday night aerobic class.

The classes are held at 6:30 p.m. in the Antioch Lower Grade School gym every Monday, Tuesday and Thursday.

Starting at 6:30 p.m. on Wednesdays (starting Oct. 4), there will be an aerobic class for those interested.

Antioch Parks and Recreation is flexible—one can sign up for two days or all four. One can have their choice: attend Monday and Wednesday or Tuesday and

Thursday and/or Monday and Tuesday, etc. It works the same way for three nights one may choose.

For more information about aerobics, call (312) 395-2160. The cost is: four nights, \$32.50; three nights, \$30; or two nights for \$25.

Bankers attend seminar

Carl R. Cecelia, assistant vice president and Joyce Duesing, auditor, from the First National Bank of Antioch, recently attended a seminar on advanced loan documentation sponsored by the Illinois Bankers Assn.

The one day seminar covered such topics as the documentation of real estate secured loans, floor plan financing, Article 8 of the Uniform Commercial Code, construction loans and a loan documentation case study to practice their

skills. The Illinois Bankers Association is a full-service and progressive trade organization representing nearly 90 percent of the commercial banks in Illinois.

St. Peters offers ornament

A limited edition of a beautiful hand-crafted pewter ornaments commemorating the 90th anniversary of St.

Peter Church in 1990 is being offered by St. Peter Council of Catholic Women.

These ornaments are being sold at St. Peter Rectory, the Globe Dept. Store and from Claudette Skvarce and Lucy Aliman.

Antioch doctor set to present research

Dr. Steven G. Ayre, Antioch, who practices medicine at Primary Care in Antioch and in Gurnee, will be presenting his research papers on Insulin Potentiation Therapy and Breast Cancer at the 42nd Annual Symposium on Fundamental Cancer research at the University of Texas' MD Anderson Cancer Center in Houston in October.

According to the doctor, IPT is an innovative strategy for intracellular drug delivery that could add to the effectiveness of any drug treatment currently being used in these cases.

The doctor has received permission from the Food and Drug Administration to treat AIDS victims with IPT in conjunction with the drug AZT.

In military

Army Spec. Richard Rogers has arrived for duty at Fort Sill, Okla. He is a track vehicle mechanic with 225th Maintenance Company. Besides being a 1982 graduate of Antioch High School, he is the son of Richard R. and Kathryn Rogers. Michael S. Gliniewicz, son of Debbie Gliniewicz, Antioch, has been promoted from a missile crew member to the 9th Field Artillery of the United States.

Completes bank course

Wally Jaszowski, right, State Bank of Antioch vice president of installment loaning and Marsha King, left, bank CAIB rep, congratulate Sharon Harrison on completing course to get career development certificate in personal banking from the Chicagoland American Institute of Banking at annual fall banquet held by the institute.

Award bank's golfers

The State Bank of Antioch Ladies Golf League held their golf outing and awards dinner at the Nippersink Golf Club on Tuesday, Sept. 19.

The Antioch women have competed in four flights of ability at the Spring Valley Country Club during the spring and summer months.

The first place winners in

their respective flights were Del Scarpelli, Mary Palm, Judy Bailey and Margaret

Martain. Second place honors were awarded to Trudy Anderson, Caroline

Costoff, Beverly Sorensen, Marge Warner and Mabel Lou Weber. The most improved player award was won by Weber.

The women enjoyed an afternoon of golf and dinner

where the Antioch State Bank presented the league's awards.

Correction

In correcting a mistake that called Antioch's Lake St., Main St., in an article that ran in last week's edition of the Antioch News-Reporter, Lakeland Newspapers apologizes for its error.

The article dealt with the repair of a drainbed that runs from Victoria St., behind the stores on the south side of Lake St., all the way to the State Bank of Antioch's parking lot, to help alleviate the constant flooding that is a great hindrance to the well being of people living and working in the area.

Donates

The Board of Education of Grass Lake Grade School heard that the school's total enrollment at the beginning of this school year is 259 students.

Score on biology

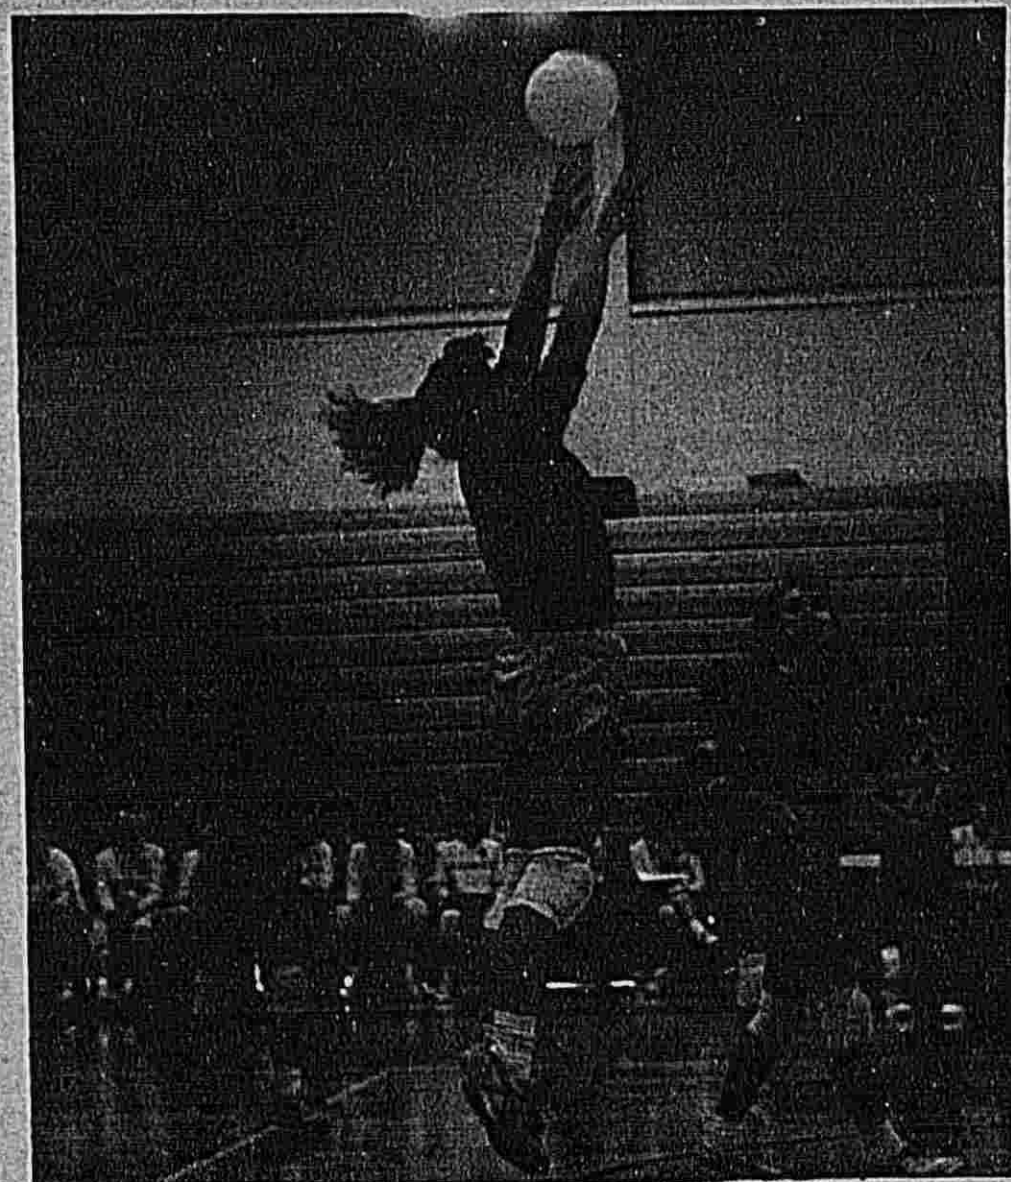

Antioch Community High School launched its first advanced placement program during the 1988-89 school year. Dan Mikal is the instructor for the program and had 50 students enrolled.

In the spring, 30 of the students chose to take the national AP Biology Exam. Scores on this exam can qualify a student for college credit as well as placement

out of their introductory courses.

Congratulations are in order for Julie Brandt, Debbie Kasprovicz and Mark Wozniak who scored the highest on the exam. Ten other students attained scores which could qualify them for college credit.

AP Biology is being offered again this year with a current enrollment of 32.

Stretching the limits

Grass Lake Board OK's budget and salary hikes

by GLORIA DAVIS
Lakeland Newspapers
The Grass Lake Grade

School Board of Education
has approved the 1989-90
school budget of \$964,504.

This is a raise of \$99,292
over last year's budget of
\$865,212.

According to Grass Lake
Supt. Anthony Prezeklasa,
the new budget is inclusive
of the tentative agreements
on salary raises for certified
and non-certified, union and
non-union employees.

The tentative three-year
contract agreement gives the
teachers a 8.75 percent
raise including annual step
increases.

Non-certified union staff
members will receive raises
of 7.75 percent and so do
the non-union non-certified
staff members and the
school principal.

The superintendent salary
will go up 6 percent.

The new budget also
includes the cost of
splitting the 35 pupil
kindergarten and third grade
into two grades each.

In other business, the
board:

— accepted the Haunted
House Guidelines as pre-
sented by representatives of
the PTO with the addition
that workers must be 18
years old.

— approved donating a
bird display case to the
Lakes Region Historical
Society.

— rescheduled both the
October and November
school board meetings to
Oct. 12 and Nov. 9.

— accepted the
resignation of Susan
Hoseman, chapter 1 reading
teacher, and hired Carole
Carpenter as a
speech/language teacher.
— filed a statement of

hazardous road conditions
on Grass Lake Rd. which
allows students to be bussed
from less than a mile-and-
one-half from the school
and the school to
compensated by the state for

that cost.
— approved a resolution
calling for a Yellow School
Bus Postage Stamp in
honor of the 50th
anniversary of the yellow
school bus.

PADS to raise \$'s for area homeless

Lake County PADS, a seasonal
overnight program, providing shelter, food
and hospitality to anyone in need of
assistance, will hold a fish boil dinner,
from 5 to 9 p.m., on Saturday, Sept. 23,
at the Patio Restaurant, on Rte. 173, just
west of Antioch, in Antioch Twp.

This will be a "Door County" style
fishboil with adult tickets at \$6, children
under 12 at \$4 by advance reservation.

Call PADS at (312)362-3381 or
(312)395-8843.

Tickets at the door will cost \$1 more.
Volunteer training for PADS will take
place at St. Mark's Lutheran Church in
Lindenhurst, from 9 a.m. to noon, on
Saturday, Sept. 23 and from 7 to 10 p.m.,
at Wesley Free Methodist Church in
Waukegan, on Tuesday, Sept. 26.

Golf 'pros'

Antioch's Tuesday Night Business Men's Golf League has the same first place
team as last year, Cermak's Family Ins. From left are, Chuck Cermak, Dave Dziki,
Art Blecke, Rolfe Schleusener and Tom Lasco(not pictured.) The league
consists of 14 teams that play at Spring Valley in Trevor.

New African violet society formed in Chain O' Lakes

by GERI MAJKOWSKI
Lakeland Newspapers

There once was a time when you could find at least one African violet in homes where someone loved growing plants. Most plants died quickly due to over-zealous watering or neglect, but there have always been folks who could grow them well. They would share leaves and culture tips with friends, and thus the love of African violets was kept alive.

Our grandmothers, used to the small purple flower of the past, would be amazed at the colorful beauty and variety of the plants we have today.

The Chain O' Lakes African Violet Society was formed to help today's grower learn about the changes in African violet culture today. Plain, old-fashioned varieties are still sold over the counter, but they can't hold a candle to the unbelievable types now available.

Violets now come in every shape, size and color imaginable—reds, blues, greens, corals, white, and all shades of pink, purple and burgundy. The two-tones are very lovely, and come in many patterns. "Fantasy" blossoms are often pink with purple and blue polka dots. Others are purple and pink or white and lavender. Some are edged in white with contrasting colors. The striped, exotic Chimera varieties are a hot item right now.

Historical Society

The Long Grove Historical Society is sponsoring the fourth appearance of internationally renowned artists P. Buckley Moss from 10:30 a.m. to 4 p.m. on Saturday, Sept. 23 and from 2 to 5 p.m. on Sunday, Sept. 24, at the Long Grove Church Community House, Coffin Rd. west of the covered bridge in Long Grove. A large collection of Moss original watercolors, etchings and limited edition prints will be available for viewing and purchasing. A percentage of the proceeds will benefit the Long Grove Historical Society.

Imagine, if you will, a violet with white stripes on each purple petal, or the reverse, a recent breakthrough has produced a yellow violet which will lead, eventually, to peach and orange tints. Some plants have variegated leaves in pink, white, cream or yellow. Plants now come in all sizes, the largest being 18 inches tall, and the smallest being 3 inches tall (microminiatures).

The African Violet Society was formed in September of 1988 by Laurie Schaid of Antioch and Kathleen Lavelle of Long Lake. The nearest club meets in Barrington, which is just too far away for most Lake County growers. They

felt there was a need for a group in our area, and they were right! Their membership grows "like a happy violet."

Like every African violet society, this group aims to spread the word about these fantastic plants and to teach others to grow blue-ribbon specimens. The group meets at Sheridan Hall at St. Bede's on the corner of Wilson Rd. and Rte. 59 in Ingleside on the third Thursday of the month at 7 p.m. They offer programs on pest control, culture and new varieties, with speakers, slides and workshops. Society members are affiliated with the Illinois African Violet Society and the African

Violet Society of America, which publishes a bi-monthly magazine to keep members informed about commercial growers, area shows and new hybrids.

The Society invites the

public to attend a meeting and find out what all the excitement's about. Their sister club, the Barrington Bloomers, are holding a judged show, exhibition and plant sale at the Chicago

Botanic Garden on Lake Cook Rd. in Glencoe on Oct. 14 and 15. This is an excellent opportunity to see and purchase the exotic modern plants that won't be found anywhere else.

'Happy' numbers

Cold, hard numbers very often don't tell the whole story, but in the case of the Lake County Forest Preserve District's \$80 million bond issue, the hard numbers mean a lot.

The district has been able to borrow through the sale of bonds the \$74 million for land acquisition and \$6 million for development at an interest rate of 7.157 percent. This is lower than the 7.5 percent Will County Forest Preserve is paying and the 7.89 percent the Forest Preserve Dist. of DuPage County had to pay in late 1987.

The advantageous interest rate was obtained after Moody's Investors Service

and Standard & Poors reaffirmed the excellent bond ratings of Aa and AA.

Along with the attractive interest rate, a 1989 property tax levy rate for debt service of less than 9.5 cents has been kept in place and there are high hopes that the cost for debt service can be maintained for the life of the bond issue.

All this adds up to public acquisition of priceless open space at very reasonable rates, so reasonable, in fact, that the cost to the average taxpayer will be hardly noticed. The open space to be acquired, however, won't go unnoticed, nor unappreciated, for generations to come.

More than 1 influence

Driving under the influence commonly is thought of as being under the influence of alcohol. Not so in our galloping drug culture. DUI also can involve drugs, so State Sen. David N. Barkhausen (R-Lake Forest) introduced legislation to remedy that oversight. Gov. James Thompson should be signing the measure into law any day.

The legislation provides that any person who is detected as having any trace amounts of illegal drugs in his blood or urine is guilty of driving under the influence and shall be subject to the same summary suspension of his driver's license as one who fails or refuses to take a breathalyzer test.

It also authorizes officers to conduct more than one test, thus remedying the limited interpretation by the Illinois Supreme Court of the existing implied consent law as only authorizing one test. Therefore, when a motorist passes a breathalyzer test because he is actually under the influence of drugs rather than alcohol, under current law the officer is without authority to request a urine or blood test to detect the presence of drugs. This bill provides such authority.

Sen. Barkhausen's action is another step toward buttoning up drug violation enforcement. Sadly, it also is another example of how pervasive drug use has become in society today.

Affordable housing

by JOHN S. MATIJEVICH
State Representative

Affordable housing isn't so affordable any more.

The average home in America is now somewhere in the \$140,000 range. The president of the state's Realtors' organization says that the average home price paid by first-time buyers is approximately \$75,000. It seems as though most of the homes I see being constructed in Lake County are in the "higher than high" range.

To the low and very low-income person, owning a home is becoming the impossible dream. After years of futile efforts, the legislature finally enacted an "affordable housing program" which is at least a start in the right direction. We have been one of a handful of states without a comprehensive housing program.

The Illinois Housing Development Authority (IHDA) will administer the program. It will distribute funds collected by the Affordable Housing Trust Fund. The revenues will come from a doubling of the real estate transfer tax from 25 to 50 cents per \$500 property value. In other words, when people sell their property, part of the tax on that sale will go to finance the affordable housing program.

The fund will be used to make grants, mortgages, or other loans to acquire, construct, rehabilitate, develop, operate, insure, and retain affordable housing for low-income households. Priority will go to the very low-income households. Assisted housing may also include homeless, single-parent families, elderly, or physically and mentally disabled.

The law will also allow the program administrator to implement a low and very low-income senior congregate housing demonstration project, in cooperation with the Department of Aging. A demonstration project for low and very low-income veterans is also planned under the program.

Governor Thompson signed the affordable housing legislation. The Illinois Housing Development Authority has established a "Home Hot Line" for anyone interested in a brochure and more information on the program. The number is 1-800-942-8434.

The same day Thompson signed that bill, he signed one dubbed "H.O.M.E. the

Home Ownership Made Easy act." It will allow potential homeowners who have not owned a home for at least two years to make deposits in one of four state-run investment pools.

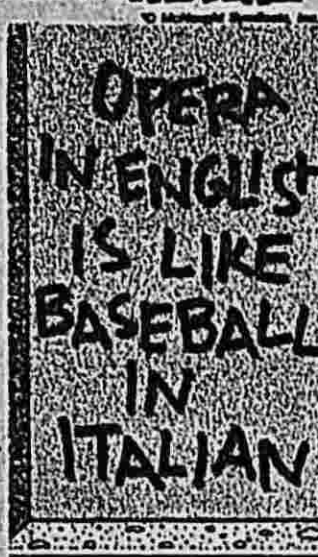

In the H.O.M.E. program, participants will be able to deposit funds through a participating financial institution or deduct from their paycheck through a payroll

Commentary

deduction plan. A minimum deposit of \$250 can open an investment account. Any potential participants should contact Illinois Treasurer Jerome Cosentino's office for further information on the H.O.M.E. program. The toll free number to call is 1-800-346-7414.

It used to be that the average age of the typical first time home buyer was 26 years old. It is no surprise that the astronomical cost of housing has seen the average typical first time home buyer to be about 31 years of age. Affordable housing is becoming a misnomer. The bills enacted this year are no panacea. Housing will continue to be a national problem. The legislature did take positive action, though ... and that's a plus.

County clerk stepping lively for reelection

by BILL SCHROEDER

Delighted and determined, Linda Hess officially is on the campaign trail, seeking her third term as Lake County Clerk.

"I enjoy campaigning, meeting people. It's part of my job. I firmly believe that public officials should get out—bring the office to the people instead of having people come to the office," explained the transplanted native of New York State, who now declares, "I can't imagine myself living anywhere else."

Besides the sheer enjoyment of meeting voters face to face, there's another reason Hess is getting an early start on an election that won't take place until November, 1990. She's a Democrat, always an endangered species in Republican Lake County.

Hess feels that an outstanding record of service and accomplishment is transcending normal politics. "Since I've been county clerk, our budget has dropped from \$1.9 million to \$1.5 million a year. We're generating new revenues for the county. Our office has a string of 20 consecutive error-free elections, all at the same time of handling much more work." work."

Through computerization and modernization, the county clerk's office has become much more productive. "I've got an outstanding staff," Hess emphasizes proudly.

One thing Hess is bracing for is the dreaded double-barreled question: When are you going to turn Republican, and when are you going to get married? Hess laughed. "I get asked that all the time, so much that when the subject doesn't come up I wonder if people don't care about me any more." The personable county clerk didn't dodge the inquiry, explaining that the party change isn't imminent because of her conviction that the checks and balances of the two-party system are necessary for good government. As for the latter, Linda added with a grin, "That will have to wait, too, until the right person comes along."

Hess watchers can well be advised not to hold their breath over THE questions and to step lively to keep up with a popular and well qualified official on the fast track for reelection.

WORK, PLAY—Dan Purcell, Lake County Forest Preserve Golf Course manager, shouldn't have any trouble lining up applicants for a "work/play" program to alleviate a pressing help shortage at the county's two courses, Brae Loch and Countryside.

Briefly, the plan involves utilization of retired persons or senior citizens who will receive compensation for work as starters and rangers in the form of free rounds of golf. "Works great in Florida. I don't see why it won't work for us," exclaimed

Purcell, who said the plan won't be extended to greenskeeping or other heavy labor jobs.

REPEAT BATTLE—Lexington Homes, largest home builder in the Chicago area, reportedly has all but sewed up a deal to build a flock of homes at the controversial Lake Lure site in the Village of Round Lake.

Residents of nearby Long Lake are planning a repeat of the famous Battle of Lexington to prevent what they fear will be destruction of a top quality wetland that is a key link to water quality and flood control of their recreational lake.

With more than 1,500 homes sold in 1988 and a sales volume of more than \$225 million, Lexington ranks as one of the largest builders in the nation.

BREAKING TRAIL—Fox Lake Police Chief Ron Nagel reports getting telephone "high fives" from fellow chiefs envious of Fox Lake officers getting equipped with new 9-mm Smith & Wesson machine pistols and Fox Lake's acquisition of two Uzis.

A couple of Chicago disk jockeys have taken potshots at Fox Lake for weapon overkill, but otherwise few eyebrows have been raised. Chief Nagel predicts the high tech weaponry will be standard for all police departments in a few years. Drug dealers and other underworld elements are being armed with increased firepower. Nagel feels the lives of police officers are in jeopardy without similar equipment. We wholeheartedly agree.

TURNABOUT—State Sen. Jack Schaffer (R-Crystal Lake) serves a diverse district running from Mundelein to Rockford. On the east end of the district, growth and development have kids spilling out of the schools; on the west end, public schools are being boarded up.

In the economically depressed Rockford area, however, a curious thing is happening. Christian alternative schools are expanding rapidly, growing at such a pace that church leaders are seeking to purchase vacant public schools. Schaffer shakes his head over the politics involved in the private sector "taking over" education.

ONE MAN'S FAMILY—Karen and Mike have welcomed a new member into their household, a fluffy black and white kitten. Spike, the Wonder Dog, has reservations about sharing his affection. Karen is searching for a name. Her first kitten was (and is) Kaycee (Karen's cat), who remained a member of mom and pop's household. What about Kaycee Two? That's a mouthful, but it follows the pattern.

Politically Speaking

by JOSEPH SOULAK
Lakeland Newspapers

Earlier this month Warren Twp. Sup. Robert Depke received the Dave Durenberger Grassroots Government Leadership Award from the National Assn. of Towns and Townships.

A resolution of commendation was approved at the Sept. 12 meeting of the County Board. This is the same body where Depke was once a vocal member.

Chairman Norman Geary would have preferred the resolution not been on the agenda.

Named for a Minnesota senator, the seven-year-old award recognizes Depke for his leadership in open space, senior citizen and handicapped programs in Warren Twp.

"Open space," scoffs Geary. "When we tried to buy Brae Loch Country Club and the adjoining 58 acres Depke was the first person opposed."

Depke said the award is for the fine park at the Warren Twp. Center, the township's senior citizen programs, 50 units of elderly housing adjoining the township offices and year-around program for the handicapped up to age 21.

"I don't know anything about this award and I have been in township government many years," said Geary, who was Avon Twp. supervisor for 26 years until last April. "But this is the way the game is played."

"Election time coming up. I know that and Depke knows that," Geary said about the Warren supervisor's plans to run against Geary's friend, F.T. "Mike" Graham of Libertyville, for the County Board in 1990.

Whatever next year brings, Depke is getting lots of accolades and mileage out of his award in 1989.

Suzi Metzler, who finally retired as executive secretary of the Lake County Republican Federation in August, re-

Robert Depke

Ralph Rohling

Carl Schrimpf

ceived another honor of sorts at last week's annual federation membership meeting.

The veteran of the GOP office in Waukegan was elected both a life member and permanent acting member of the federation's board of governors. What that means is that Suzi can attend all Republican committee, council and board meetings without asking. After 26 years of doing just that Metzler really doesn't need more meetings. But she is grateful for the recognition.

For those who think there is only one legal municipal lottery in Illinois better think again.

Island Lake is knee deep in the first year of its very own Lake Fund Lottery.

For \$12, a ticket holder qualifies for 12 monthly drawings of \$100, \$75, \$50 and \$25.

No one is saying exactly how much money the village is making, but the take is enough to consider doing it again next year.

Wonder Lake Homeowner's Assn. also has a lottery. For \$50, ticket holders qualify for a daily drawing for 365 days. Winners are listed in a quarterly newsletter.

Both communities say that since churches and lodges run lotteries, why not them.

Due to lackluster attendance at the annual membership meeting of the Lake County Republican Federation meeting on Sept. 16, changes are being considered for next year. This year's gathering was a 9:30 a.m., coffee-and-rolls affair at the Meadows 21, formerly the Northern Chalet, in Libertyville.

Next year there may be a new date, new location or attendance prizes to bolster the turnout.

Round Lake Beach is still giving away the candy store when it comes to sewer service, says County Board Chairman Norman Geary.

He says negotiations are continuing with Mayor Carl Schrimpf about metering each residence and charging for service based on actual use. As of now, everyone pays a flat rate of \$10 per month, a \$1 monthly service or compliance charge and \$4 to pay off past sewer bonds. This may be a bargain for some, a burden for others, depending on the number of people in the household.

Schrimpf says the county will not dictate to him—via the Northwest Regional Sanitary System—how much to charge the good people of Round Lake Beach until all other customers in the service area are also on meters. He cites many older subdivisions where people have their own wells. Meters for them are impractical.

Another body in Round Lake that raises the hackles of the Northwest Regional Sanitary System is the Round Lake Sanitary Dist.

This well-established body, which has regular meetings, taxing powers, spending authority and a treasury built on past collections from residents of the Round Lake communities, is yet to process an ounce of sewage since declared obsolete.

District legal advisor Atty. Rudy

Magna Jr. of Gurnee, whose father organized and formerly served as chairman of the body, says one of the purposes is to keep an eye on Lake County and its sanitary district serving northwest Lake County.

"That's like the fox watching the chicken coop," say some critics.

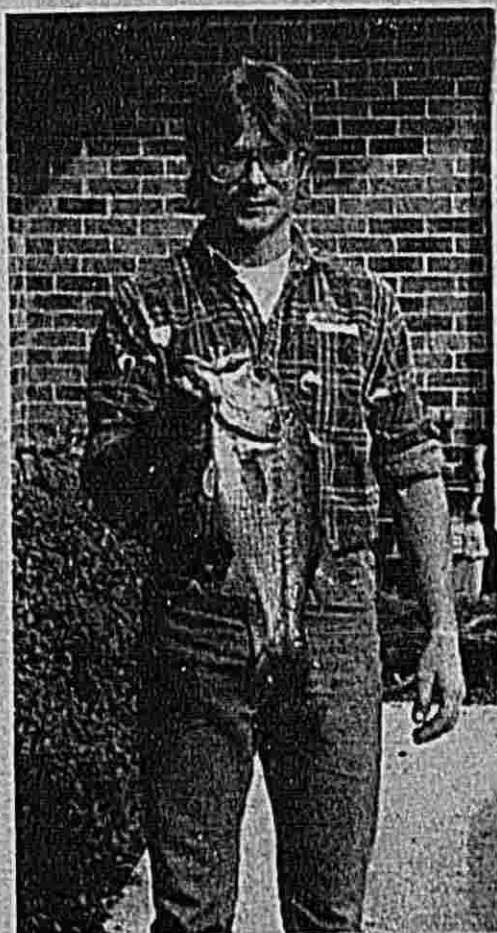

Mallboxitis is one problem Mundelein Trustee Ralph Rohling would like to get rid of. His is knocked down at least twice every summer. One year he put it up twice within a three-week period.

Rohling lives on a curve in an otherwise quiet subdivision. Cars and drivers sometimes can't negotiate the curve in a village where the residential speed limit is 30 miles per hour. So every morning one of the first things Rohling does is check the mailbox to see if it must be put back in place.

COMING EVENTS: Saturday, Sept. 23—Lake Villa Twp. Republican Club's third annual Octoberfest, Lake Villa VFW Post Home, 130 E. Grand Ave., Lake Villa, from 6 p.m. to midnight. Ticket for \$15 at door good for dinner, dancing and beer. Sunday, Sept. 24—Greek lamb roast honoring state Sen. Adeline Geo. BUSINESS BRIEFS

Grayslake

The Morse-Crow Insurance Agency in Grayslake is reminding vehicle owners that they are required to have liability insurance by Jan. 1, 1990. The law says motorists must carry at least \$20,000 in liability insurance for death or injury to one person, \$40,000 for death or injury to two or more persons and \$15,000 for property damage. Existing law will still require vehicle owners to carry uninsured motorists' coverage. For conviction of neglect to carry liability coverage, the minimum fine is \$500 and a two-month suspension of the vehicle registration, plus a \$50 reinstatement fee. Driving a vehicle with suspended registration carries with it a minimum \$1,000 fine and a four-month suspension of the vehicle registration, plus a \$100 reinstatement fee.

Doing Business with Japan: Overcoming the Myth, is a seminar that will be held Wednesday, Oct. 4 from 8:30 a.m. to 4 p.m. in Room C003 at the College of Lake County's Grayslake campus. The seminar is part of a series of international trade seminars sponsored by CLC's Ctr. for Economic Development. It will explore and dispel myths surrounding export trade to Japan. The seminar has been developed to address issues relevant to U.S./Japan export in the wake of growing business relations with Japanese companies. The fee is \$95 and includes all presentations, lunch and breaks. The seminar is being co-sponsored by the U.S. Dept. of Commerce, Illinois Dist. Export Council, International Trade Resource Ctr. and the College of Lake County's Center for Economic Development. For more information, call (312) 223-3651.

Lake Zurich

Prim Cleaners has signed a five-year lease agreement at The Courtyard of Lake Zurich. The lease is on a 1,200 square-foot store that will be located in the shopping center at the junction of Cuba and Rand roads in Lake Zurich. The lease agreement was announced by Monte Strusiner, executive vice-president for Craig/Stevens Development Corp. of Northbrook.

Gurnee

Three firms have signed five-year leases at Pembroke Corners in Gurnee, according to Monte Strusiner, executive vice-president of Craig/Stevens Development Corp. of Northbrook. Grand Realty inked a five-year lease agreement for 2,120 square feet. Fantastic Sam's, a full-service hair care firm, signed a five-year, 1,000 square foot lease. And Little Caesar's Pizza will occupy 1,200 feet for five years. Pembroke Corners is located at Grand and Lawson Avenues.

Cherhavy sees growth, change in landscaping

by CARON KREBS
Lakeland Newspapers

Michael Cherhavy, owner of Old Mill Flower and Garden in Lake Zurich, will be celebrating his 20th anniversary next spring.

Cherhavy, a Lake Zurich native who earned his degree in landscape architecture at Penn State Univ., says he's seen changes over the years since his business opened in 1970, among them Lake Zurich's developmental growth.

Lake Zurich's growth, he says, is one reason he chose the community to set up his business. After watching nearby Schaumburg grow, he "knew one day Lake Zurich would develop like it has" over the past several years.

Another change he says he's observed is the different tastes from 20 years ago. His first years in the business satisfied people's desires for windmills, flamingos and white plastic ducks, he said.

Today, however, the trend leans more toward a "natural type of landscaping," that's "free-flowing" and "low-maintenance," instead of the well-manicured English and Japanese type of lawns that were once popular.

Cherhavy chalks up this trend to changing lifestyles because, he says, people are doing more activities now and don't want to be burdened with maintaining a yard.

He notes it's become more challenging to suggest good landscaping ideas without high maintenance.

Although he doesn't see some plant materials being more in demand than others, he does notice that combining different kinds of plant materials in one area has also become a trend.

For example, Cherhavy says, where a homeowner would once buy 10 yews to hedge an area, the homeowner of today may only purchase several yews and some other types of hedges for the same area to provide a "four-seasons contrast."

"It takes someone with knowledge" to

help people come up with such a contrast, and, says Cherhavy, Old Mill Flower and Garden provides the service for free.

"It does take imagination," Cherhavy says. "Each one is very challenging in its own sense."

He adds that with each new landscape he designs, he learns more about landscaping.

"We pride ourselves on our service," Cherhavy says, noting the success of their delivery service started three years ago. Comparing the service to Domino's Pizza, Cherhavy can boast of delivery and installation within 24 hours after the order is taken, and within the day on weekends.

"We deliver at the convenience of the homeowner," he says, and as a result has obtained many repeat customers.

Although many homeowners will be

putting their garden tools in the shed as winter approaches, Cherhavy stresses that in his business, "there is no slow period."

Old Mill Flower and Garden will herald the coming of winter by selling Christmas trees and wreaths and by delivering firewood.

For the eight weeks of January and February, the store will be selling house plants and getting ready for the following spring.

Cherhavy says his son, Christopher, 15, shows an interest in the business and has worked during the summer and on weekends at the store since the age of eight. His son already plans to study horticulture and business administration in college and wants to take over the business some day, his father says.

County realtors name 'Realtor Assoc. of the Year'

The Lake County Board of Realtors has announced realtor associate Tom Cavalier of Century 21 Taylor & Seiler,

Libertyville, has been selected as the 1989 Realtor Associate of the Year. Cavalier is an associate broker with Century 21 Taylor & Seiler.

The Realtor Associate of the Year is a program of the Illinois Assn. of Realtors to recognize a sales associate who has provided outstanding service to the real estate profession and the community.

Cavalier has been a million-dollar sales award winner since 1983 and is a recipient

of both the Illinois Assn. of Realtors President's Club Awards and the Century 21 "21 Club" Award for the years 1983, 1985, 1986, 1987 and 1988.

Cavalier has been a member of the brokerage committee of the Lake County Board of Realtors since 1983 and served as chairman of the committee from 1986-1988. As chairman he spearheaded the development of a new contract to purchase real estate, which is utilized by the more

than 2,000 members of the Lake County Board of Realtors. He also serves on the grievance committee, a position held since 1988, and he was elected to the board of directors of the Lake County Board of Realtors in 1988.

A coach for the Libertyville Boys' Club for three years, Cavalier was also a board member of the Heritage Dance Theatre from 1982-1986, serving on the executive board of directors as treasurer from 1983-1986.

Sears to close Poplar Creek

Sears, Roebuck and Co. says it eventually will close the Poplar Creek Music Theater after it moves the headquarters of its retailing division to the northwest suburbs in the early 1990s, a company official said.

Guy Eberhardt, a Sears attorney, said the retailer planned to redevelop the site of the outdoor concert spot. Poplar Creek, which can hold 25,000 spectators, is on the eastern end of the 786-acre site in suburban Hoffman Estates, where Sears plans to relocate its Merchandise Group.

Eberhardt said the timetable for closing Poplar Creek would depend on market conditions and how the rest of the land develops.

Eberhardt made his remarks at a public (Continued on page 16)

Town without people for sale for \$159,000

For the price of a spacious suburban home, you can buy the entire town of Bust, population zero, complete with one building.

Lloyd and Helen Collins, owners of Bust, Colo., on Ute Pass say that after seven years of running the gift shop — and being mayor, vice mayor, chief of police and the City Council of their own town — they are ready to try a new venture.

So they are selling the place. Price: \$159,000.

Since the Collinses live in Woodland Park, near Colorado Springs, and commute to the store daily, Bust has no official residents.

Like Colorado Springs' early settlers, who flocked here by the cry of "Pikes Peak or Bust," tourists have been drawn into the store at the foot of the mountain by a huge sign on the roof.

"Bust, Colo.," it reads. "Colorado's Newest and Smallest Town, Elev. 7,500, Pop. Zero."

"Lots of people stop just because of that sign," Helen Collins said, as she waited on customers recently. "They don't believe it and have to stop to ask about it."

It was the novelty of the idea and the sign that prompted the couple to buy the store from its original owner in 1982. Now they hope it will strike the fancy of someone else who can carry on the tradition.

Until then, the Collinses are working hard to keep Bust from going bust. (AP)

Reno, the biggest little city in the world

by JIM WARNKEN, PRESIDENT
NORTH STAR TRAVEL, INC.

Having done my share to support the casinos in Vegas, I thought it time to visit Nevada's other gambling center, Reno.

Leaving the Interstate and heading south on Virginia St., you are confronted with a brightly lit arch proclaiming Reno to be "The Biggest Little City in the World."

Actually, the arch was erected in 1926 to commemorate the completion of the Lincoln and Victory Hwys. Its lights originally spelled out "Reno Transcontinental Highway Expo," with its current city slogan being added in 1929.

The arch is the center of the major casino action and is the area in which you likely will want to book your hotel.

So let's get specific as to which hotels are where.

The arch is between 2nd and 4th Sts., on Virginia St. Here you will find Harrah's, the Virginian, the Eldorado and Fitzgerald's. One block east of the arch, and connected by a pedestrian skyway is the Flamingo Hilton, the hotel I called home during my Reno visit. (Be sure to take advantage of their special prices on Ethel M chocolates.)

About two blocks south is the next major hotel/casino, Circus, Circus. A block east of Circus, Circus is the Sundowner, with the Sands next door. About two blocks in the other direction is the Ramada.

While it is only a short walk to any of these hotels not immediately adjoining the arch, you are downtown. Reno is a safe city, just be prepared to meet the usual beggars found in urban areas.

Hotels too far away from everything include the Holiday Inn and the Peppermill, unless you plan on spending your time mostly at these hotels.

Also a long way from everything is Bally's, located out by the airport. However, Bally's has enough to offer that you can make it your main destination, with an occasional trip downtown, or maybe to Tahoe, the subject of next week's column.

Lakeland's Bolton wins IPA top business award

For the second straight year, Lakeland Newspapers was recognized in the 1988 Illinois Press Assn. newspaper contest for outstanding local business news coverage.

Judges rated Lakeland first in its circulation category for an article written by Kim Bolton, "FTC Rules Affect Funeral Business."

Bolton was cited for placing a national issue in local context. She was presented an individual plaque.

The 15 community newspaper Lakeland group also won special recognition for

best use of color.

Judges recognized Lakeland's "extremely consistent color quality, and good use of spot-color tie-in."

A native of New Jersey, Bolton joined Lakeland last January to specialize in business news and feature writing. The graduate of Lehigh Univ. also is local news editor of the Lindenhurst News and Lake Villa Record.

Awards were presented at the annual IPA convention held at the Chancelor Convention Center, Champaign.

Agent wins sales award

Three agents in the Country Companies Lake Agency have been awarded the prestigious National Quality Award (NQA) for significant achievement in Life insurance sales.

Business Basics

Cook Memorial Library is sponsoring a Small Business Basics program at 7:30 p.m. on Wednesday, Sept. 27. Terry Rawlings, an instructor at the College of Lake County, will be on hand to discuss what's involved in starting a business.

The NQA is presented by the National Assoc. of Life Underwriters and the Life Insurance Marketing and Research Assn.

Country Companies agents who received the award and the number of NQA awards they have received are: Wally Frick of Barrington, 16; Barbara Durrett of Grayslake, one; and David Steffenhagen of McHenry, one. The Coun-

try Companies are an insurance and investment group.

The National Quality Award recognizes agents for exceptional service to policyholders and their ability to tailor Life insurance programs designed to meet clients' needs.

FINANCIAL FOCUS

reported by Brosius D'Arcy

Even though we live in the most productive, innovative nation in the world, we spend a lot of time complaining about things. In honor of this nation's birthday, let's take a look at how "bad" things really are.

In the early 1980s, we battled interest rates of 18 and 19 percent. Today, interest rates remain around 10 percent, and inflation has stabilized at 4 or 5 percent.

The national debt, which we hear so much about, reached \$150 billion in fiscal 1988. Although that figure may seem staggering, it's \$65 billion less than three years ago. The trade deficit has also shrunk, from \$170 billion in 1987 to \$140 billion in 1988.

With more than 16 million new jobs created in the past decade, the unemployment rate is down to between 4 and 5 percent. This is the lowest unemployment rate in 15 years!

Maybe it's time we stopped complaining about all the bad things and take a closer look at the good. Happy birthday, America!

hearing held by the Hoffman Estates Village Board on its proposed Economic Development Area for the Sears site.

Teska & Associates, an Evanston consulting firm hired by Hoffman Estates to advise it on negotiating an economic development agreement with Sears, released a study estimating it could cost the suburb as much as \$764.5 million

over 23 years to keep the Sears division there.

The study said the village's cost would be paid by property taxes from Sears and other development on the site, not by residents of the community.

The Merchandise Group, now housed in the Sears Tower in downtown Chicago, employs about 6,000 people. The retailer will bring at least 2,000 of those jobs to Hoffman Estates. (AP)

Builders turn to HOW for customer service

Smaller builders having customer service problems are finding solutions through the Home Owners Warranty (HOW) 10-year builder protection plan, according to HOW.

"It's one-step shopping,"

says Bob Verbic, President of HOW of Greater Chicago and First Vice President, Director of Builder Services of Coldwell Banker. "They find it helps their credibility, their efficiency and their bottom line. HOW

helps builders take care of some of the more nagging customer service problems," he added.

HOW's 10-year warranty and insurance plan takes the guesswork out of what the builders' and the owner's re-

sponsibility are for new home maintenance and repairs.

"It's all there in writing in the HOW builder's warranty," says Verbic.

Builders use the program, Verbic says, because it gives them the systems and the back-up to resolve customer disputes quickly and equitably.

"It lets builders get back to the business of building," says Verbic.

According to Verbic, this is primarily due to HOW's Expedited Dispute Settlement program for resolving complaints. The program calls for the use of an independent arbitrator to resolve disputes before going to court. Most of the cases using this procedure are resolved in an average of 40 days.

"The credibility that this settlement procedure gives to a builder is immeasur-

able," Verbic said. "It lets homeowners know that they have someone to turn to if they have a disagreement over warranty coverage with the builder."

Jack Sorenson, with U.S. Shelter, and immediate past president of Home Builders Association of Greater Chicago and second charter member of HOW National, agrees.

"We say that we're a company concerned about follow through, service and quality," said Sorenson. "Having HOW reassures the customer of that and backs up what we say. It's written proof that we are dedicated to doing the job right."

HOW also offers builders a number of customer service advantages, including brochures and videos on home maintenance for consumers, tips on walk-throughs, and videos for builders on customer service

and complaint avoidance.

"Being a HOW builder will increase customer confidence in you," says Verbic. "HOW screens its builders for financial stability, customer service and for technical competence in home building. When it comes to establishing your identity as a builder who cares about customers, HOW is a very important factor."

HOW is the only new home warranty and insurance program endorsed by the National Association of Home Builders (NAHB). With more than 12,500 builder-members, HOW has enrolled over 2 million homes nationwide since its inception in 1974.

To learn more about HOW's 10-year protection program, write to HOW of Greater Chicago, 1010 Jorie Blvd., Suite 112, Oak Brook 60521.

Seminar teaches basics

Dependable Swimming Pool Service, Inc. of Grayslake hosted its first Bioguard Pool Care Seminar to teach the do's and don'ts of closing pools for the winter.

Michelle Pruitt, a Bioguard representative from Indianapolis taught the seminar. Some of the main points she discussed were:

- Pick a day to close the pool and stick to it.
- Order a professional water analysis test to test for chemical imbalances.
- Purchase a quality pool cover.
- Use non-toxic swimming pool based cleaning supplies and antifreeze to winterize.
- Never mix chemicals.

Winners of the door prizes were Sharon Adelmund of Grayslake and David Susral of Mundelein who each won Bioguard winter kits. Denis Berggren of Round Lake was the grand prize winner of a Sun Searcher floating lounge.

President of Dependable Swimming Pools, Sonny Kilden, said he was very pleased with the turnout and is anticipating a spring seminar on opening a pool.

Anyone with questions concerning their swimming pool or spa is encouraged to call the "Dependable Professionals" at (312) 223-1606, or to stop in at 124 S. Rte. 83 in Grayslake.

Broker attends special Realty World orientation

Wayne A. Sobczak of Realty World - Tiffany Real Estate in Antioch attended a special Realty World Corp. orientation last month in Willow Brook with top corporate and zone executives.

Realty World Corp. recently acquired franchise license and service rights here from Realty World Pathway, Inc., the former regional owner.

Kenneth F. Cibroski, corporate chairman and chief executive officer, presented Wayne A. Sobczak and other Realty World broker/owners with corporate management tools and training opportunities now available to them.

"We at Realty World - Tiffany Real Estate are pleased that Realty World is now in a direct line of service with our office. With the management tools and superior training now available to us, we'll be able to provide even better service to our home buyers and sellers than we did in the past," according to Sobczak.

"While we'll have these new opportunities, of course we will continue to provide the other unique Realty World System services we've had all along," Sobczak said. These include the RealSafe home protection plan, the RealFax buyer plan, the RealScope photographic display

of homes, the Realine nationwide relocation service, and the RealAction marketing plan for home sellers.

Wayne Sobczak indicated the Realty World Corp. is reconfiguring field operations "to better serve independent broker/owners like me in Illinois."

A zone office and service center in Des Plaines will now provide direct coverage and support to Realty World - Tiffany Real Estate and over 100 other Realty World offices in Illinois, Indiana and Kentucky. The Des Plaines office staff already works with more than 220 other Realty World offices across the midwest from service center offices in Westerville, Ohio; Mequon, Wis.; Edina, Minn.; and Okemos, Mich.

"We're proud to be a part of the Realty World systems which is the third largest real estate franchise operation in North America," Sobczak said. Across the system, there are over 1,800 offices and more than 17,000 sales associates who, in 1988, had over 166,000 real estate transactions and \$7.7 billion in sales.

A member of the Realty World system since 1976, Realty World - Tiffany Real Estate has 28 sales associates at its offices in Antioch and Round Lake Heights.

Small business supports veto of parental leave

The state's small business community breathed a collective sigh of relief when Governor Jim Thompson vetoed a parental leave bill that would have forced companies with 50 or more employees to provide up to eight weeks of unpaid leave following a pregnancy or prolonged illness.

"Small-business owners aren't heartless," said John R. Davis, State Director for the National Federation of Independent Business/Illinois. "However, we believe employers and their employees - not government - should decide what

policies should be followed when a pregnancy or prolonged illness occurs."

Here in Illinois, nine out of ten small-business owners are against the concept of mandated parental leave.

"By mandating a benefit the government does not make any attempt to determine whether a company can afford to provide this benefit or even if the employees want it," Davis said. "Many small firms cannot afford to lose an employee for an extended period of time. It's that simple."

According to Davis, the

European experience with mandated benefits has increased the fixed cost of hiring to the point of economic stagnation. The results of "Europeanization," according to Davis, are few new job starts, high structural unemployment, and long periods of unemployment for displaced workers.

While small-business owners were upset by the tax increases that passed during the last legislative session, Davis feels the impact of the tax increases was softened by the Governor's veto of the family leave bill.

Grade schools to strive for perfect attendance

All Lake County elementary schools have been invited to participate in a first Lake County Elementary School Attendance Week sponsored by Project P.A.S.S. (the Lake County Center for Drop-out Prevention) and Sybil Yastrow, the regional superintendent of schools. The Lake County Board has proclaimed the week of

Sept. 25 through 29 as the special time when the importance of regular school attendance is recognized by the entire Lake County community.

Each participating school will design its own program for the week which will include encouragement of student and staff attendance through incentive programs, poster contests, etc. Local

businesses and parent groups may be called upon to help make the event a real community effort.

A slogan contest for the week is being sponsored by Project P.A.S.S. Students are urged to create slogans that promote good school attendance. Schools will submit their students' slogans to Project P.A.S.S. and prizes, which are donated by local merchants,

will be awarded. If you have questions or wish to make a donation, call Susie Yule at

(312)223-3400.

Finally, the 10 elementary schools with the

top attendance on Friday, Sept. 29 will receive special recognition from Yastrow.

Rte. 120 hearing Tuesday

A public hearing will be held on the proposed improvement of a stretch of Rte. 120 (Belvidere Rd.) in both Lake and McHenry counties.

Involved is Belvidere Rd. between River Rd., east of McHenry in McHenry County, and Rte. 60, east of Volo in Lake County.

The hearing is scheduled for 7:30 p.m. on Tuesday, Sept. 26, in the auditorium of the West Campus of McHenry High School, 4724 Crystal Lake Rd., McHenry.

The proposed improvements include:

*Two through lanes in each direction.

*Curb-and-gutter for the entire stretch of roadway.

*A median for left turns and to separate traffic.

*Traffic signal modernization.

*A new four-lane road to bypass Volo to the south.

*New signalized intersection at Rte. 12/59 with new bypass.

*McNally Ln. and Gilmer Rd. improvements.

*A retaining wall between the new Rte. 120 roadway and Lily Lake.

Detailed exhibits of the proposal will be on display one-half hour before the hearing and engineers will be present to answer questions.

Written statements not submitted during the hearing can be sent - no later than Wednesday, Oct. 11, to the Department's Division of Highways, District 1, Project Studies, 201 W. Center Ct., Schaumburg 60196.

Filing deadline changes

"Recently we announced the deadlines for taxing districts to file their tax levies with the Lake County Clerk's office," explained County Clerk Linda Hess. "But on Aug. 30, the governor signed House Bill 1148 changing the deadlines for three taxing districts. So we want those district to be aware of their extended deadline."

The three taxing bodies that have been affected by the new law are fire protection

districts, park districts and library districts. The filing deadline was moved from Sept. 12 to Dec. 19, which gives these districts more time to file," said Hess. "Many of these districts more time to file," said Hess. "Many of these districts have already filed with our office, so they are way ahead with their paperwork for this year."

Film Review

One of Hollywood's best actors, Al Pacino, who hasn't turned out his usual high caliber performance since "Justice For All," is back on the big screen in fine form in "Sea of Love."

His partner in this crime-suspense drama, Ellen Barkin, is up to Pacino's acting standard as the two fall love in a plot that predicts disaster as in "Body Heat," "Double Indemnity," or "Fatal Attraction."

Is she the double-murderess in the case being investigated by her lover, Pacino and his partner in fighting crime, John Goodman of "Roseanne" fame?

If you see this one, for heaven's sake don't tell anyone about the surprise ending!

The acting far outshines the development of what starts out to be an intricate suspenseful plot.

Had the plot kept pace with Pacino, Barkin and Goodman, this would have been a five-star winner, but a rather hokey plot injection drops the rating down to four stars, making it well worth seeing, even at theater prices.

Be there

A live command performance done for President and Mrs. George Bush at the White House, will be aired on Public Television on Wednesday, Oct. 4, at 8 p.m. Leading the show on its merry way will be Lynn Redgrave, F. Murray Abraham, (winner of the Academy Award for his role as Salieri in "Amadeus") Opera star Teresa Stratas; and the dean of American jazzmen, at 82, Benny Carter on his sax and trumpet.

For the kiddies (and lots of adults) "Muppet Babies Live" will be at the Rosemont Horizon in "Where's Animal," on this Friday, Saturday and Sunday.

The long running "Galena Rose," starring Jim Post is back at the Civic Center For the Performing Arts on Wacker Dr. in Chicago, starting this weekend.

On Friday, Oct. 6, at 8 p.m., musician and singer Carla Sciaky will bring her talents to the stage of the David Adler Cultural Center.

There will be an Autumn Prairie Walk at the Volo Bog State Natural Area in Volo, this Sunday, at 1:30 p.m.

In Chicago, the Lyric Opera's production of "Tosca" will continue on Sept. 25, Oct. 2, 6 and 11. Kristjan Johansson is on the program to share the role of Mario Cavaradossi with Luciana Pavarotti.

Ravinia's Fall Festival will open on Oct. 6 with the appearance of the Takacs Quartet performing Mozart and Beethoven.

'Color of Magic'

The 'Color of Magic' opens the 1989-90 student theater series with performances at 10 a.m., 1 and 7:30 p.m., on Friday, Sept. 22, at the Genesee Theatre in Waukegan. Employing the arts of mime and magic, T. Daniel, right, plays Merlin the Magician who is destined to make a king. The

enchanter is preparing to place the famous Sword of Britain into a stone with the help of the Pixie. This is the story of how Merlin used magical powers to bring the sword and stone together so that Arthur can pull it out and become king.

Lifestyles of rich to raise monies

"Lifestyles of the rich and famous" can best describe the first time gala fund raising event. With an auction featuring items totaling well into the millions, the coalition sponsoring "Catch the Fever! Literacy the Foundation of the Nation" hopes to raise the one million needed to help combat Lake County's incredibly high adult illiteracy statistic.

Among the 102 Illinois counties, Lake County ranks 97th in literacy. The group's chairman, Rita Cooper, is determined to reverse these statistics and wipe out adult illiteracy in Lake County by the year 2000, making it a model for the nation, while at the same time expanding the county's labor pool.

Very timely with September being National Literacy month, starting at 4 p.m. on Sept. 30, the gates of the historic 20 lakefront acre Schweppe Mansion in Lake Forest (now home of the Hoepers) will part and cocktail party guests will enter to the tune of the Stevenson High School Patriots Band and the twirling of the student flag corp.

Following on to the Forge Club for the reception and dinner, renowned auctioneer David Kaufman will start the bidding on 50 of the most unusual and highly valued items ever offered at an auction.

These include a Lake Geneva, Wis. estate valued at over \$3 million, 275 Wisconsin acres with ponds and a lodge at \$15 million, (2) Rolls Royces, an Arabian gelding, a 10 karat emerald ring, a week's stay in Hong Kong and a short visit to Marlon Brando's island paradise.

There's even 100 tons of sand along with items donated by celebrities Tom Selleck, Lee Iacocca, and Ted Koppel!

Brunch will be held the following day, Sunday, 10:30 a.m. at Dika's Trackside, Arlington Hts. Combined attendance on

Sept. 30 is priced at \$250 (\$150 cocktails, \$175 dinner).

Tickets for the brunch are \$35. Checks payable to Catch the Fever, Literacy Foundation, Inc. should be mailed to P. O. Box 133, Lincolnshire, IL. 60069, or tickets can be bought at township halls, libraries and several local businesses.

Proceeds will fund the purchase of 18

IBM audio-visual laboratories that will enable adults to learn to read over a 20-week period and in addition learn computer keyboard skills.

The program has won approval from President Bush who has sent a letter supporting the project. For further information call Rita Cooper at (312)634-3230 or David Terry at (312)634-2199.

Galena Tour Sept. 23

The 40th Annual Fall Tour of Historic Galena Homes will be Saturday and Sunday, Sept. 23 and 24. Galena, a favorite Illinois historic treasure, is home to the highest concentration of restored 19th Century architecture in the United States.

During the lead-mining rush of the early 1800s, Galena became a boomtown of 15,000 almost overnight. Nestled in the hills of northwestern Illinois, it was also the home of the United States' 18th President, Ulysses S. Grant. Now a town of 4,000, Galena hosts thousands of visitors to its historic sites every year.

This is the 40th consecutive year that the 151-year-old First Presbyterian Church has sponsored the Fall Tour. Step back in time at these homes during the tour: The Nagle House, 306 Washington St., is on tour for the first time.

Built in the early 1850s, this "Quality Hill" home was owned by John Nagle, a boot and shoe manufacturer.

Across the street is The Grandview Guest House, 113 S. Prospect St., a 12-room traditional home with a panoramic view of the town. This bed and breakfast was built in 1870 by D. Harvey Lamberton, a photographer and sewing machine dealer.

The Eagle's Nest, 410 S. High St., was built circa 1842 by J.S. Robinson,

probably as a rental property, in one of Galena's black districts (he also built General Grant's first home, also a rental property). Perched on one of the town's hills, this two story brick home is furnished with country antiques.

Mother's Country Inn, 349 Spring St., on the Fall Tour for the first time, was built about 1854. This guest house was a double home, now one. It was the first house on the street to face Hwy. 20.

The old stone Harrison House, 458 Broadway, was built in 1826 and is one of the oldest houses in Galena. Harrison, who died in 1835, had a stable across the street and gardens on the hill in back of the primitive home. Also on the tour is the First Presbyterian Church, 106 N. Bench St.

The tour is continuous from 9 a.m. to 5 p.m. on Saturday and Sunday. Tickets are \$9 for adults; \$4 for students (11-17), and children (10 and under) are free.

Tickets may be purchased at each tour home, the church, Galena High School, the DeSoto House, and the Depot (Chamber of Commerce).

There will be shuttle bus service from parking areas and downtown, and between the tour homes and church, with opportunity for you to enjoy Galena's many other attractions and shops.

Cultural Center presents Irish Music Champ

Imagine a 10-member ensemble of instrumentalists, dancers and singers featuring not only some of the most respected Irish artists in the country, but also many world champions! The name of this wonderful ensemble is Cherish the Ladies, and they will be performing at 8

p.m. on Friday, Sept. 29, at Libertyville High School, 708 W. Park Ave.

Cherish the Ladies includes some of the leaders of this new crop of musicians. The ensemble features 10 Irish and Irish-American women, all in their 20's and 30's, who are among the countries' most

respected traditional artists; many of them have also won All-Ireland titles, the world championship.

The ensemble includes guitarist Mary Coogan; flutist and button accordionist Maureen Doherty; fiddler Siobhan Egan; "scan nos" (old-style Gaelic) singer Bridge

Fitzgerald; fiddler Eileen Ivers; flutist Joanie Madden; singer Cathy Ryan Henry; and stepdancers Eileen Golden, Maureen Kennelly, and Mairead Powell.

For tickets or for further information call David Adler Cultural Center at (312)367-0707.

We've been hiding something from you.

But now, we're ready to open up. Because most of our scaffolding is down. The renovation barricades are being dismantled. And every day, you can see more of the new Hawthorn Center.

You're going to love it. There are dazzling new skylights. Dramatic, free-standing columns. Exquisite Italian marble flooring. And in the next month, we'll add some

magnificent finishing touches. Our bright new world will be

accented with marble planters and lush greenery. Even a cascading pyramid fountain in the Center Court.

It's all coming together to create an exciting shopping experience. One that

will make you feel on top of the world. The bright new world of Hawthorn Center.

Chef Cuisine Benefit at Bernard's, Sept. 24

From chicken stir fry and seafood Newburg to strawberry flambe and bread pud-

ding, over 30 gourmet and specialty restaurants from Chicago and the northwest

suburbs will join together to celebrate the famous Chef Cuisine Benefit on

Sept. 24, from 3 - 7 p.m. Nearly 1,000 guests are expected to enjoy the festivities at Bernard Lincoln Mercury Center, 3400 Grand Ave. in Waukegan.

Proceeds will benefit Victory Memorial Hospital's new cardiac catheterization unit. Cardiac catheterization is one of the most reliable procedures for detection of heart defects and disease. It is the most comprehensive diagnostic procedure available and Victory Memorial Hospital is now the only hospital in northern Lake County with a cardiac catheterization laboratory. This benefit will enable Victory to consistently offer the latest technology advances in its recently opened cardiac cath laboratory.

The restaurants participating in this year's eating spree include Landmark of Antioch; Ditka's Trackside of Arlington Heights; Murphy's Lounge & Tom's Place of Beach Park; Ditka's City Lights of Chicago; Chef's at September's of Crystal Lake; Pier Club of Fox Lake; 'Beginnings' LCAVC; Johnny D's Pier 83 of Grayslake; Zackery's of Gurnee; Shrimp Walk, Aussie's of Highwood; McCormick's, The Silo of

County Clerk Hess will run for reelection in 1990

Lake County Clerk Linda Ianuzzi Hess has announced she will be a candidate for a third term. Hess made her announcement at a fundraising reception at the Sea

Linda Ianuzzi Hess

Princess in Libertyville which was attended by State Comptroller Roland Burris. Burris is an announced candidate for the Democratic nomination for Illinois Attorney General.

The Lincolnshire Democrat was elected in 1982 when then-County Clerk Grace Mary Stern ran for lieutenant governor. Hess was reelected in 1986 to become only the second Democrat to be reelected to countywide office in the history of Lake County.

Hess states one of the most significant accomplishments of her administration has been cutting the cost of government and "doing more with less."

"My first budget in 1983 was \$1.9 million, and my proposed budget for 1990 is \$1.5 million. And we haven't achieved this through cutting programs and staff.

To the contrary, we have actually increased staff modestly and expanded programs. To our credit," she noted, "we've done it through creativity, productivity and good ol' common sense, and we're proud of it!"

"In addition, we've increased our revenues by more than \$100,000, which indicates our increased productivity," she explained.

Hess continued, "I've been a competitive presence in the courthouse, where I think it's vital to keep the two-party system alive. My reelection in 1986 told me that Lake Countians care deeply about this issue. Two-party government is always better and more competitive than when one-party rules everything. And, with so many Republican office holders in the county, I think the minority party should control the election machinery as a check and balance," she stated.

"I'd like to be in office in the 1990s when redistricting will have a major impact on the county and the county clerk will play a vital role. Having a Democratic clerk involved in this process with the Republican County Board, who will be responsible for the final plan, can only be a healthy check and balance," said Hess. "I'm looking forward to meeting the challenges of the 1990s," she continued.

The county clerk's office is responsible for a myriad of duties, including administering all federal, state and local elections, handling voter registration, vital statistics and marriage licenses and an assortment of tax duties.

In addition, Hess serves as clerk of the Lake County Board and secretary of the Lake County Forest Preserve Dist. The clerk's office employs a staff of 40.

Best friend most popular call Marriage alters phone habits

Single women like talking on the phone with their boyfriends more than men do with their girlfriends, according to a recent survey. On the other hand, more married men enjoy phone calls with their wives than wives do with their husbands, the study found.

Asked to identify the most important or enjoyable phone call of the week, more women (13 percent) said "calls with their boyfriend" than men (9 percent) said "calls with their girlfriends." However, among married people, more than twice as many men (5 percent) as women (2 percent) found phone calls with their spouses to be the best.

In the study, 300 Chicagoans were surveyed for Illinois Bell by MWM Marketing Research, an Arlington Heights research firm.

The study also found that: friends were more popular than relatives, many middle-aged people think they should make more calls, and young people couldn't decide whether to use the phone more or less.

Respondents liked talking on the phone with friends slightly more than with relatives, the survey found, by a score of 55 percent to 45 percent. Best friends were people's favorite phone correspondents (27 percent), followed by children (11 percent).

More than a third of all people surveyed felt they weren't calling friends and relatives as often as they should. Of those aged 41 to 64, 44 percent especially singled themselves out for not calling enough. And more than 30 percent of the men surveyed said they spent too little time on the phone.

Young people were split on whether they should increase or curtail phone use. Of those under 25, more than one-fourth said they spent too much time on the phone. But another quarter felt they should make "more calls than now."

The majority of those surveyed (70 percent) said they were satisfied with the

number of calls they presently get from family and friends. More men (28 percent) than women (20 percent) said they wouldn't mind receiving more calls.

Among the various age groups, senior citizens (those 65 years and older) were the most content. They led all other age groups in being satisfied with the number of calls they get (78 percent), the number of calls they make (69 percent) and the amount of time they spend talking with friends and relatives on the phone (76 percent).

Finally, nearly four out of five (79 percent) respondents reported having very positive feelings after a personal phone call. Just 13 percent of those surveyed experienced negative feelings. The most frequently named emotions were: happy, pleasant, better, refreshed, uplifted and relaxed.

Park Dist. names team

The Round Lake Area Park Dist. have announced the members of its gymnastics team. The 1989-90 team is: Heather Adams, Gracie Alamo, Sarah Burchett, Nicole Erickson, Jamie Huber, Kelly Lawrence, Amy Matter, Heather Outinen, Becky Soffietti, Kim Vaitonis and Kristy Vanderboom.

The team competes in the Northern Illinois Recreational Gymnastics Conference (NRG). Head Coach

Nanci Kukla thinks the team will be in a building stage for the first few years, but the girls will learn a lot through the competition. The remainder of the coaching staff is Geneen Hoetzer and Stacie Torres.

The team will accept new members at the discretion of the coaching staff. If any girls between the ages of six and 18 years are interested in performing their gymnastics skills in a

competitive atmosphere, call Ed Shirk at the park district, (312)546-8558.

Think of the Lewiston as a Rolls Royce with a luggage rack: Stylishly elegant but practically appointed.

Designed to entertain, this sprawling contemporary home forms a palatable sandwich of usage, with livability at both ends and formality in the middle. The successful marriage of cozy and classy begins outside, past a twin-gabled front and down a wood-posted, stone-lined entry way. Beyond the double doors, angled beams produce a dramatic, spiral effect while skylights bathe this view lot home in soft sunshine.

Off the foyer, a crackling fireplace beckons from the living room. In the adjoining dining room a wet bar stands ready for a good cheer. Like a mountain cathedral, both window lined rooms boast panoramic views of an expensive deck and points beyond. To avoid guests traipsing through the sleeping area, a bathroom off the dining room provides them their own private retreat.

Past the public area, exchange the tie and evening dress for jeans and slacks. Succumb to the creature comforts of the family room as it swallows you like an easy chair

with fireplace, entertainment center and deck access.

The informal mood continues to a country kitchen designed for cooking and conversation. Meals come easy with a full freezer, island range, pantry and a second vegetable sink that looks across a breakfast bar into the family room.

At the other end of the house, a master suite fit for any penthouse embraces the bread winner in well-deserved space, luxury and repose. For quiet times, a study banked with seven bay windows extends from the king and queen's room and offers sanctuary. Another stress reliever, the sauna, sits just beyond the walk-in closet on the way to the spa-tub, shower and double vanity.

Even the two-car garage goes above and beyond; a private golf cart entrance. Just what every Rolls needs.

For a study plan of the LEWISTON (208-01), send \$5.00 to Landmark Designs, P.O. Box 2307, Eugene, OR 97402. (Be sure to specify plan name & number when ordering). Designers, Architects and readers with plans they would like to see featured also are invited to contact Landmark.

THIS WEEK'S HOROSCOPE

By Joyce Jillson

Aries (March 21-April 19) Get proof of ownership, and document any important agreement. Send overdue letters by Wednesday.

Taurus (April 20-May 20) An amusing incident could have far-reaching consequences. Lay back and let a so-called friend do all the talking.

Gemini (May 21-June 21) A new partnership is just what you need whether in business, love or social concerns. Select someone with opposite abilities.

Cancer (June 22-July 22) You may be getting away with doing less work, or being paid more; still accomplishment is the key to happiness. Delegating too many duties may take away from your creative power.

Leo (July 23-Aug. 22) Trust your instincts. On Tuesday curtail your temper especially with your family. Your jealousy erupts, although this new love is being faithful.

Virgo (Aug. 23-Sept. 22) A wild idea has much more merit than others think. Keep going with a dream or a dream love as this opportunity or person is very close to coming true.

Libra (Sept. 23-Oct. 22) You must develop more organized work habits. Doing something at the same time each day brings out your creativity.

Scorpio (Oct. 23-Nov. 21) A financial slump is over. So much so, that you may have a wealth of riches. Don't flash this newfound luck or others take advantage.

Sagittarius (Nov. 22-Dec. 21) An old flame comes back. Look at this realistically this week. By Friday you may not want this person anymore.

Capricorn (Dec. 22-Jan. 19) Develop new ways of dealing with demanding family or friends. Get an answering machine so you can avoid stressful calls.

Aquarius (Jan. 20-Feb. 18) You may be sabotaging your own efforts. Don't volunteer information about yourself which isn't flattering.

Pisces (Feb. 19-March 20) Be a bit more selfish and ask a love for what you deserve. Respect yourself and others will too. A chance encounter leads to more positive physical activities.

If You Were Born This Week
The year holds love and companionship and this will (should?) take priority over your money goals. Yes, the job success will continue. Promotions come in November and May. Consider starting a new business as a sideline. Leo and Libra are ideal new partners. Marriage is likely in March. Moves are also likely in early '90. Family reunions in October may not live up to expectations, but are a good start. Stop criticizing your looks or education, you are far more attractive and gifted than you realize. Best months for money are November and February.

Church Talk

LINDENHURST

Liberty Community Church, an Evangelical Protestant Church meeting at the B.J. Hooper School, 2400 Sand Lake Rd., has begun its fall schedule. Bible sharing classes (Sunday School) are offered for ages two through adults, and nursery care will be provided for infants. Worship service begins at 10:30 a.m.; nursery is provided for ages three and under. Call (312)356-9336 for further information.

LAKE VILLA

This Sunday night at the Chain of Lakes Community Bible Church, part five of a six-part film series, "Attitudes—Choosing the Food You Serve Your Mind," changing your attitude from a "no-can" to a "can-do" mentality. The biblical definition of a happy and produce life, will be presented at 6 p.m. at the church's temporary facility located in the Antioch VFW Hall on North Ave. For more information, call the church office at (312)356-2090.

LIBERTYVILLE

The First Presbyterian Church of Libertyville has announced its fifth annual production of "The Living Bible." From 7 to 9 p.m. on Sept. 29, 30 and Oct. 1 nine biblical scenes will come to life on the church lawn. Taking part in the presentation will be nearly 700 members of the congregation, ranging in age from infancy to senior citizen. Live animals, beautifully created props, pantomime characters and detailed period costumes will be featured. The production is open to the public and there is no admission

NATURE'S BOUNTY

Amazing Spice Cake

3 cups unsifted flour
2 cups sugar
1 cup mayonnaise
1/3 cup milk
2 eggs
2 tsp. baking soda
1 1/2 tsp. ground cinnamon
1/2 tsp. ground nutmeg
1/2 tsp. salt
1/4 tsp. ground cloves
3 cups chopped, peeled apples
1 cup seedless raisins
1/2 cup coarsely chopped walnuts

Grease and flour 2 (9") round baking pans. In large bowl with mixer at low speed beat first 10 ingredients 2 minutes, scraping bowl frequently. Stir in apples, raisins and nuts. Pour into pans. Bake in 350 degree F. oven 45 minutes or until tester inserted in center comes out clean. Cool in pans 10 minutes. Remove; cool. Fill and frost with 2 cups whipped cream.

Apple/Pineapple Surprise

6 apples, cored, peeled and cut up
18 oz. pineapple (crushed or chunk; reserve liquid)
1 cup unsalted peanuts
8 oz. Cool Whip
In pan, cook
1 egg
2 Tbls. apple cider vinegar (*add pineapple liquid)
1 Tbls. flour
1/2 cup brown sugar

Cook until thick. Cool.
Stir in apples and pineapple, plus 3/4 cup of the peanuts and Cool Whip. Sprinkle top with 1/4 cup (remainder) peanuts. Chill and serve. Tastes like caramel apples.

Tomatoes Stuffed With Corn

2 tomatoes halved and drained
4 slices bacon, sauted and minced
1 cup cooked, drained corn
1 chopped pimiento
1/2 chopped green pepper
2 Tbls. chopped celery
1/2 cup bread crumbs
2 Tbls. cream
1/2 tsp. salt
1/4 tsp. paprika
1/2 tsp. sugar

Combine all the ingredients and fill the top of the halved tomatoes.
Bake in preheated 350 degree oven for 10-15 minutes.

Hair today: The latest trends

The manner in which today's men view their hair—or lack of it—would perplex or perhaps even shock their more rebellious, endearingly sloppy and not so distant brothers of the sixties.

With the onslaught of such trends as personal computers, jams, "dinks" (double income, no kids) and Yuppies, has also come the designer haircut.

Far from a sixties ponytail or fifties

crew cut, the eighties designer haircut is something between punk rock hairdos (mohawk cuts, tie-dyed, jet black, platinum or orange red hair worn in a variety of styles, and in different lengths) and those haircuts found only in an issue of *GQ*.

But, you may say that this type of haircut does symbolize a certain amount of rebellion and free spiritedness; tie-dyed

hair cut short on one side and layered longer on the other side can hardly be called conventional.

The difference, however, lies not in the actual haircut, but in the preparation for the haircut.

Today's chic man no longer visits the corner barber for his haircut; he is much more inclined to go to a unisex haircutter who specializes in styling his locks and presenting him with a very stylish and expensive bill.

Men are enjoying a luxury once thought to be allotted to women only: Sporting a hairstyle that says something about the person who wears it.

Along with layered haircuts, hair that is cropped on the sides and longer on top, and that old favorite, the crew cut, men have taken to wearing their hair in short ponytails (the swashbuckler effect) or slicking it back (twenties-style with—what else?—the once distasteful "greasy kid stuff.")

Whichever way the men's hair trend is headed, one thing is for sure: It's fun to see men enjoying a sense of individuality when it comes to their hair.

Nail shapes: A tip-off to personality traits?

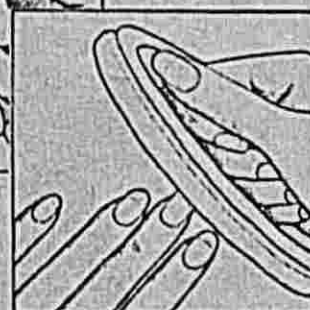

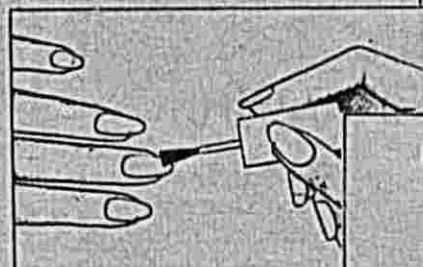

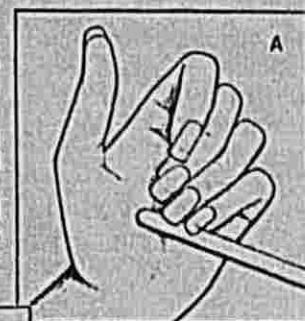

Although palmists have been "reading" hands for centuries, your nails may be able to tell a lot about your personality.

For example:

• **Square Nails:** You're practical, beautifully organized. With a no-nonsense outlook, you tackle any task and see it through to the end.

• **Oval Nails:** Artistic and creative, you like to live and work with style, and bring a special touch to whatever you do.

• **Short, Wide Nails:** Sensible and down-to-earth, you love the good things in life and especially enjoy all the comforts of home.

Emergency group seeks personnel

Lake County Emergency Planning Committee members are pleased with the response from a county board committee regarding possible new staff.

Evelyn Alexander, chairman of the planning committee, said the judiciary and administrative committee members looked favorably on the committee's proposal Tuesday.

The proposal, which would cost \$75,000 a year, calls for hiring of a full-

time person for planning and a data entry person to work on the site plans submitted by chemical companies.

"We've been at a standstill," Alexander said. The committee is responsible for specific site information for each chemical company which falls under Title III.

Alexander explained this is the third time the county committee has asked for personnel. The committee

meets monthly and is comprised of representatives of various police and fire departments and chemical companies.

According to minutes of the August meeting, the goal is representation from: elected state officials, elected local officials, law enforcement, Emergency Services Disaster Agency, civil defense, firefighting, first aid, community groups, health, local environmental groups, hospitals, transportation experts, and the media.

Alexander said the committee is responsible for

training firefighting and public works personnel in hazardous materials incidents but there is no funds from the state or federal government.

"We are getting more and more incidents of hazardous materials," Alexander stated, citing the regulations require more reporting of incidents.

Alexander stated Lake County Sheriff Clint Grinnell has endorsed the request for more personnel.

The finance committee of the Lake County Board will consider the request before it goes to the full county board.

Child World fire damage \$500,000

Waukegan Fire Dept. officials have set damage amount done to contents of Child World store at \$500,000 following a Monday blaze.

Randy Copenhaver of the Waukegan Fire Dept. said the amount had been determined after meeting with insurance company representatives Wednesday. Fire investigators are saying the blaze was an arson.

"There were three separate fires," Copenhaver said.

The fire was reported at 11 a.m. and firemen from Gurnee and North Chicago assisted. It was under control in 30 minutes but firemen stayed on the scene for two and one-half hours.

"They have a lot of work to do," Copenhaver said of the store's re-opening.

No people were injured but some pets died.

Discussing dinner plans

Gurnee Exchange Club members are making final preparations for upcoming spaghetti dinner Sept. 27. The event will run from 5 to 8 p.m. at Warren Twp. High School. Salad will also be served. From left: Ed Harms, Dave Rutkowski and Dr. Edward Bennett, dinner chairman.

Illinois names grads

The Univ. of Illinois at Urbana-Champaign has listed the August graduates. Graduates from the Lakeland area are: Paul Belden of Barrington, John Kozel of Grayslake, Chris Velkover of Gurnee, Marc Bertaud, and Martha Hall of Libertyville, David Corso of Lincolnshire, Robert Rampale of Lindenhurst, William Talend of Wauconda, Kendall Kirkpatrick of Antioch, Sara Thorp of Gurnee, William Axelsen of Ingleside, Mark Sizemore of Libertyville, Gregory Herman and Robert Appleman of Vernon Hills.

Officials fed up

LAKE ZURICH — Lake Zurich officials say they are fed up with corporations violating environmental codes and that they are prepared to take action against companies that refuse to comply with village and federal standards. Mayor James Kay said he has given Public Works Director Dave Talbott permission to prosecute to the fullest extent any violators of set standards.

Hike school levies

ANTIOCH — Antioch Grade School Dist. 34 Board has approved a budget of \$6,513,158, a 14.8 percent raise over last year's budget. The board also approved the adoption of the levies on the 1989 property values which will mean that a homeowner with property valued at \$100,000 will be paying \$131 more dollars in taxes.

Townhomes OK

GURNEE — A townhome project has won a go-ahead from the Gurnee Village Board. Trustees approved the final plat for Kensington II, to be developed by Westfield Development. Kensington will be located off Rte. 132 and O'Plaine Rd. behind the present Kensington development being constructed by Arthur Greene.

Park protests grow

LIBERTYVILLE — Mounting protests, including a petition with 20 signatures from the Town and Country Woman's Club, has forced the village board to scrap plans to share the entrance to the village's Adler Park with the developer of adjoining Carriage Hill Estates, an upscale subdivision of 30 homes costing \$250,000 to \$300,000. The developer originally proposed donations of other adjoining park land and cash in order to build an elaborate arched entrance in cooperation with the village.

Corn loves compost

MUNDELEIN — Composting can start anytime as far as the village's refuse collector, Obenauf Disposal, is concerned. It has 60 acres of its own on which corn is grown from composted grass clippings and farmers with 600 more acres waiting for the nitrogen-rich fertilizer. State mandated composting begins July 1, 1990.

Recycling progresses

GRAYSLAKE — Approximately 55 to 60 percent of the residents in Grayslake are participating in the recycling program, according to Richard Whittington, the Director of Environment and Recycling in Grayslake. Whittington gave a presentation on the current recycling status of the community at the Grayslake Village Board meeting on Monday. In June, 54,000 lbs. of recyclable materials were collected, and in July 64,000 lbs. were collected. "We've taken 10% of waste stream off the streets," Whittington said.

Gun malfunctions

LINDENHURST — A "Saturday night special" with a malfunctioning automatic cock may have saved the lives of gunshot victims in Lindenhurst Tuesday. At 9 a.m., Patricia Rodas greeted

her ex-brother-in-law "semi-cordially" in the backyard of her brother's home at 2002 Burr Oak Ln., according to Lindenhurst Police Chief Gary Kupsak. But about 15 minutes later Rodas was arrested and charged with attempted murder, armed violence and home invasion after slashing Patricia on the left finger with a six-inch butcher knife, shooting her brother, Don Norton, twice in the stomach and left forearm and shooting his girlfriend, Rose Lukich in the thigh. Rodas and her two children have been living with her brother, Lukich, and Lukich's two children.

Although Kupsak would not release all the details of the crime, he said Rodas broke into the house by shooting a window with his .22 caliber automatic that had to be cocked manually. He shot Norton in the kitchen and Lukich in a bedroom. He finally gave the gun up to Patricia who was hiding with the four children in a small bathroom.

Buys Slough Lake

LAKE VILLA — The Lake County Forest Preserve Dist. board voted 16-2 in favor of purchasing Slough Lake and the surrounding property in Lake Villa Twp. from William J. Weber in a meeting earlier this week. The district is paying \$11,500 per acre for the 329.15-acre property locally referred to as the Weber Duck Farm. The \$3.8 million price was accepted by the owners who had been offered more by developers. Weber wrote a letter to the board asking that the property be named after his family and said he accepted their offer because "having hundreds of homes wall to wall was not what I had envisioned for the land." But Board Attorney Joseph Morrison noted that the \$11,500 per acre agreement still offered the owners more than a sale price of \$10,500 that was just paid for property directly across the street that is to become a subdivision.

Antioch looks to come alive on offense in NSC

With hundreds of sailors dressed in spanky clean white uniforms looking on, the North Chicago Warhawks more than passed inspection Saturday.

In the process, the North Chicago team served notice that, despite a disappointing loss to Zion-Benton the week before, the Warhawks were not about to give up the ship.

The 10-0 win over Antioch proved to be a confidence booster for the North Chicago defense, which next will try and shut down a smaller but scrappy Warren team in Gurnee Sept. 22.

"He played the best game I've seen him play. He did not make any mental mistakes," North Chicago Coach Amos Jones said of senior quarterback Johnny Johnson.

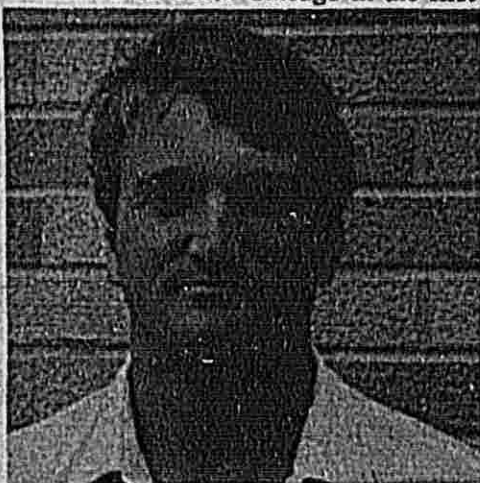

Johnson was an effective passer for the home team, completing 17 of 23 throws for 154 yards.

"The win was a big morale boost for the team," Jones said.

Antioch on the other hand, struggled on offense. Antioch had the ball on the North Chicago 10-yard line early in the contest after North Chicago fumbled a punt. After reaching the 10-yard-line, the drive fizzled as North Chicago's defense rose to the occasion. Two penalties and a missed opportunity on pass play ended those hopes.

"The defense played superior and I was not sure how we would handle their hurry-up offense, but we handled it very well," Jones said.

The only touchdown of the game came on a 77-yard touchdown run by Reggie Matthews of North Chicago in the first

Del Pechauer

quarter. Matthews took the pitch from Johnson on the second and seven play, and then outran the Antioch defenders.

Robert Drobinski booted a 27-yard field goal to complete the scoring with 8:53 left in the second quarter.

The Warhawks started at their own 17-yard line on the drive, whose big play was a pass from Johnson to Michael Franklin, good for 46 yards.

Following a colorful halftime show by the Navy band from the Navy Drum and Bugle Corps, neither team could generate much offense in the second half.

"It doesn't matter who we play if we can't score any points," a disappointed Pechauer said of his team's 1-2 start.

Antioch figures to be up against another tough defensive assignment when they host Lake Forest Sept. 23. The Scouts are coming off a 13-8 upset of Zion-Benton.

Antioch spikers set to accomplish second goal

As far as Antioch's girls volleyball team is concerned, it is time for goal No. 2.

When the month was August and the Sequoits were beginning pre-season drills, Coach Carla Thompson's team listed two objectives for the 1989 campaign: beat Stevenson and Antioch.

The Sequoits accomplished the first goal with a three-game win over the Patriots earlier this month.

Antioch will have the home-court advantage for the Sept. 23 match with a 5 p.m. start. The Sequoits are coming off a 2-3 finish in the round robin Stevenson tournament while Libertyville finished in fourth place at Prospect. Antioch beat McHenry for the second time this season 15-7, 15-6 and Elk Grove 15-4, 15-13.

In one of the losses, Antioch challenged tournament champion Joliet Central 16-14 in the first game before losing. Central won the second game 15-8.

"Our attitude was 100 percent better going into the McHenry game," Thompson said.

The Sequoits defeated Grant in non-conference play but lost to Mundelein at home the day before the tournament.

"The girls starting trusting one another instead of playing against one another," Thompson said.

Against the Warriors, junior middle hitter Teri Farnsworth was a major factor as the Sequoits won the battle of the net.

Antioch and McHenry were tied after six points before the Sequoits pulled out to an 8-3 lead as hitter Linda Stark served for five straight points and had an ace.

Game two followed the same format, as junior Kelly Darmon served for three points after a 3-3 tie. Antioch eventually led 13-3 with Heidi Schmidke earning an ace for the 13th point.

Stevenson did gain some revenge on Antioch with a 15-11, 15-9 win. Thompson pointed out her team had just come off the hard-fought Joliet Central match while the Pats were well rested.

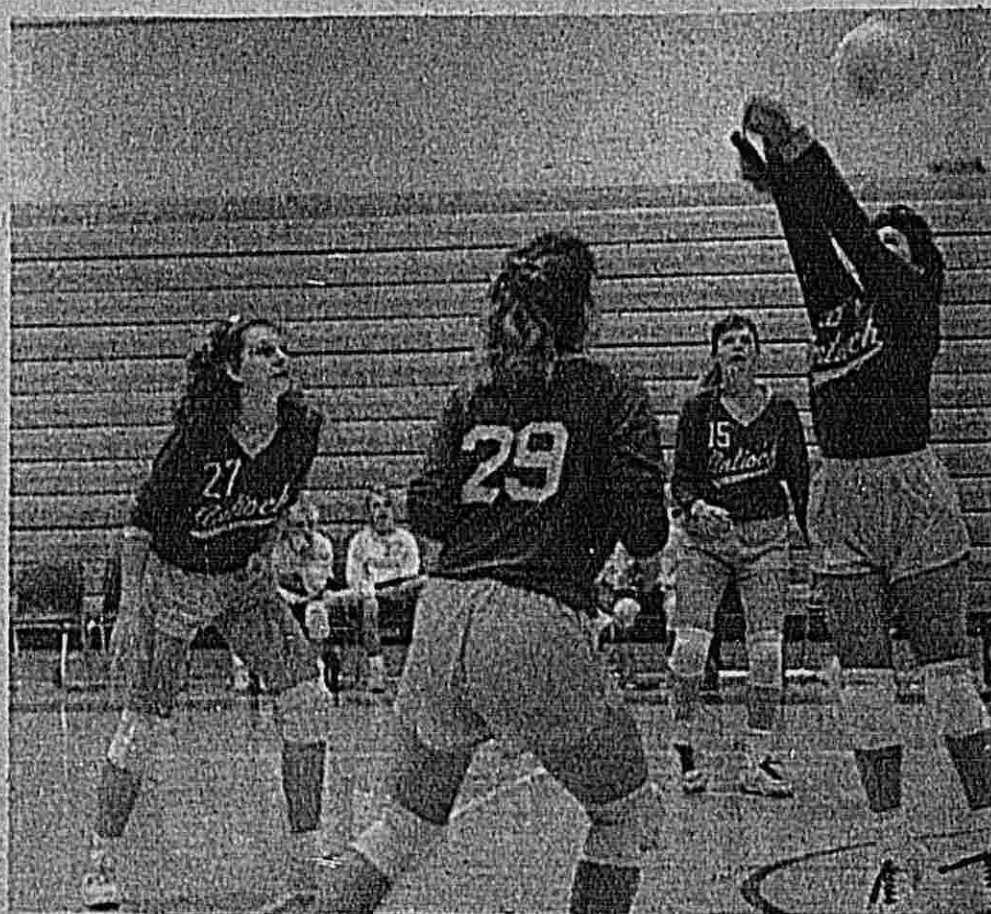

"The girls attitude was that we beat them in the match that counted," Thompson stated.

Libertyville Coach Chris Trzyna was more than pleased with her team's showing at Prospect.

"Saturday we played the best volleyball we've played all year. Everything was clicking. It was pleasing to see it all come together," Trzyna said.

The Wildcats finished in second place in their pool. Regina, who beat Libertyville for third place later, won a three-game match. Libertyville won the first 15-7, but lost the next two 15-9, 15-4. The Wildcats came back to beat Regina 15-12, 15-2 and Marillac 1-15, 15-7, 15-10.

In the third place battle, Regina made it two-out-of-three over Libertyville. After losing the first game 15-7, Regina won the next two 15-3, 15-9.

Setting up teammate

All eyes are on Antioch setter Kelly Darmon as she sets during Stevenson tournament. The Sequoits won two of five matches at tournament. Looking on are: Linda Stark (15), Kris Quentlin (27) and Christina Dietz (29) during match against McHenry.

New rule gives officials chance to tell penalties

By STEVE PETERSON
Lakeland Newspapers

It was the first game of a new football season.

Players and coaches were trying to work out the

kinks of summer workout while clashing helmets with an opponent for the first time.

For Hal Fritz, the game at Prairie View between

Mundelein and Stevenson was something a little special than just another start.

"Penalty for holding, offense, 10 yards."

"Penalty for pass interference, defense, 15 yards."

Those were comments a sometimes surprised crowd would hear as Fritz turned on his microphone and announced penalties.

The referee is the only official with the microphone, but don't worry, moms and dads, junior's name will not be announced nor his number.

Fritz, who played for Ara Parsaghian while he was coaching Northwestern, said the option presented by the Illinois High School Assn.

is also helpful in another way.

"It also helps the people in the press box follow the game," Fritz said.

Ironically, not every referee has decided to use the microphone. Actually, through the first two weeks of the season, Fritz, a Niles resident, has been one of few who has.

Fritz said the number of penalties is always high in the first two weeks or so. "By the third or fourth week, things seem to be settling down," he stated.

The start of a new season can also be a nervous one for new officials, as well as coaches, Fritz said.

Has Fritz had any memorable altercations with coaches?

"Most coaches are gentlemen and after you explain something to them, they calm down," Fritz said.

Fritz has had the honor of referring two high school playoff games - one at North Shore Country Day last year and a Dundee-Crown-Deerfield battle in 1987.

Scouting report

Week four providing county football clashes

By STEVE PETERSON
Lakeland Newspapers

Predicting Lake County high school football games so far has been somewhat of a mixed bag.

Like the teams themselves, there has been some ups and downs. A 7-3 start was followed by a 3-3 week two and slight improvement last week to 4-3. That's a three-week total of 13-9. Not bad, but it could be better.

Carmel at Joliet Catholic: the Corsairs must make the long trip south after losing 14-6 in start of East Suburban Catholic Conference play to St. Patrick last week. Joliet Catholic uses home field advantage to win by three.

Round Lake at Wauconda: Coach Mike Dunn remembers the double overtime loss to the Bulldogs last year which kept the Panthers out of the playoffs. Round Lake,

led by quarterback Mike Bragg and running back Garrett Horn, had respectable showing for three quarters against Marian Central. Round Lake must stop Wauconda runner Shawn Nohava. If the Panthers do, the visitors win by five.

Lake Zurich at Grant: both teams are looking for some offense and Grant Coach Rob Kruse may shake up the offensive line, which was manhandled by Grayslake last week. Lake Zurich, led by quarterback Scott Paschall and running back Joe Leineberg, win by seven points.

Grayslake at Marian Central: it would be nice choosing from the heart to go with rookie coach Bill Johnson, who says we have not seen the real Mike Duchane yet, but the Hurricanes just have too many weapons. Rams

make it close before losing by 10.

North Chicago at Warren: North Chicago's defense continues to get steady play after giving up 14, 21 and zero points, shuts down Warren's still young offense. Prediction: North Chicago, which comes into game at 2-1 to Warren's 1-2, wins by three.

Libertyville at Stevenson: this could be the most important game of all, as both teams are 2-1 and looking for upper division status. Wildcats have veer offense on track, and win by six.

Lake Forest at Antioch: Lake Forest is "significantly better" than people give them credit for, according to Mundelein Coach Gary Helfner. Lake Forest made believers out of Zion-Benton last week, ending the Zee-Bees string of 14 straight NSC wins.

Face Hilltoppers' test

Corsairs look to regroup after close call in opener

Carmel football Coach Mike Fitzgibbons knew that his defense would have to get their game experience the hard way before the 1989 season started.

"We have seven juniors starting on defense. They had to get old quick," Fitzgibbons said.

Fitzgibbons was speaking moments after a 14-6 loss to St. Patrick's Friday night in Mundelein.

One of those seven juniors on defense chose this particular chilly night to shine. Jason Taylor, No. 54, picked off a John Leyden pass and recovered a fumble. The interception came late in the first quarter, when Leyden was in a three-for-10 start in passing.

The second big play by Taylor was a fumble recovery which set up Carmel's lone score.

While the Cubs were reducing their magic

number in Pittsburgh, Fitzgibbons and the rest of the Corsairs did not have much to cheer about after the strong effort. That does not mean an 0-1 start in the East Suburban Catholic Conference, which produced five playoff teams last year, is cause to give up the ship.

"There were a lot of positives tonight. We have quality kids. They're angry now, but they will bounce back," Fitzgibbons stated.

Carmel will have to get angrier for the next contest as the Corsairs travel to Joliet for a contest against the Hilltoppers. Joliet topped Marist 7-0 in its league opener.

The ESCC opening game featured a clash of defenses won in the end by the team from Chicago with the taller centerfielder. Defensive back Brian Kopf snuffed out Carmel's last hopes with an interception, one of two for the 6-6

defensive back for the night. "He's hard to throw over. He has a nose for that football," St. Patrick Coach John Gruber said.

Carmel, which "moved the ball better in the second half," according to Fitzgibbons, had just brought the home crowd to its feet when quarterback Dan Bell threw a two-yard toss to Don Anderson in the left corner of the end zone for a 7-6 lead. That's where the score stayed as the extra point was missed.

Wide receiver James Cooney of Grayslake came up with a diving fourth and four catch which gave CHS the ball at the St. Pats 35.

Carmel, with 6:12 left, was optimistic.

"We can score a touchdown and a two-point conversion," was often heard during the next few minutes.

TRUCKLOAD SALE

Winter Comfort Costs Less Than You Think

During BIG BUCK's Truckload Sale the cost of adding 6" R-19 pink fiberglass insulation is less than \$170 for typical 800 sq. ft. two-story home, or \$315 for a sprawling 1500 sq. ft. ranch. And you can do-it-yourself,

usually in one afternoon! Then enjoy winter after winter of comfort and warmth, and save year after year on winter heating bills. See BIG BUCK today during our annual Truckload Sale.

OWENS CORNING FIBERGLAS	Unfaced	Kraft Face
R-11 3 1/2" x 15" Roll 88.12 sq. ft.	\$11.25 Roll Equal 12 3/4 sq. ft.	\$11.99 Roll Equals 13 3/4 sq. ft.
R-19 6 1/4" x 15" Roll 48.96 sq. ft.	\$10.25 Roll Equal 21 sq. ft.	\$10.99 Roll Equals 22 1/2 sq. ft.

*Savings vary. Find out why in the Seller's Fact Sheet on R-values. Higher R-values mean greater insulating power.
